

My Experiences with Exorcism

By Michael D. Miesch Jr, PhD OP

My Experiences with Exorcism

Michael D. Miesch Jr.

Introduction

This is not a paper on Catholic doctrines or teachings. This is a paper on private revelations and understanding that my prayer partners and I received while in prayer. This paper has not been accepted nor approved by the Catholic Church.

On March 24, 2019 the Lord said, “My Son, I am pleased with the paper you have written on Exorcism. You are not to be concerned about what people think. Your job is to get this paper out.”

In April 2017 words came to me while in prayer to give my paper on “My Experiences in Exorcism” to an authority in the church. I asked two of my prayer partners to pray with me. Is this message from the Lord? They both got, “Yes, but said not to give it to him yet.” In September 2017 I asked my prayer partners is this the time to give my paper to the authority in the Church? They said, “I am to wait until the leaves turn to gold.” I gave the paper to the authority the last week of November 2017.

In July 2018 words came to me to give the paper to a higher authority in the Church. Both prayer partners got a strong “Yes!” I gave the paper to the higher authority the first week of November 2018.

Every time I asked the Lord about giving my paper to the leaders of our prayer community, I have always got “No!”. In October 2018 I asked the Lord if I could give the paper to the leaders of the prayer community, the Lord said, “Yes, but to wait until January 2019.” It has to be obvious that the Lord did not want the leaders of the prayer community to interfere with me on passing my paper on to the higher authorities in the Church. I gave the paper to the leaders of the prayer community in January 2019.

The names of my prayer partners and all the people for whom we have prayed for have been changed. Seven different prayer partners have prayed with me individually and collectively in commanding evil spirits to repent, accept Jesus as their Lord and Savior, and go into the kingdom. For over 40 years my prayer partners have been accepted and recognized as prophets when they speak at the community prayer meetings. I have been taking authority over evil spirits since 1999, which is 20 years. The Lord would not have allowed us to be deceived over this long period of time, if evil spirits were not allowed to repent and go into the kingdom.

The Lord allowed Satan an opportunity to repent

In 1962 and 1963 my wife, Ann, took instructions from Monsignor Francis Miesch, a well-respected man, who was called a pastor’s pastor. Msgr. Miesch was the head of the Tribunal for the Diocese of Dallas. Msgr. Miesch made the statement that there was a saint who prayed and prayed asking the Lord to give Satan an opportunity to repent. Finally, the Lord asked Satan if he would repent. Satan refused to do so. I thought about this off and on. **If the Lord allowed Satan an opportunity to repent, then He would certainly have to allow other fallen angels an opportunity to repent.**

If Satan would repent, Hell would cease to exist

The spiritual diary of a contemporary mystic, Sister Natalia of Hungary, was published in 1988 Marian Year, "*The Victorious Queen of the World*" by Two Hearts Books and Publishers. On page 45 is a conversation which **the Lord allowed Sr. Natalia to overhear between Him and Satan.**

"Once I cried on Jesus' shoulder: "Why did you create hell?" To GKGH, whose sins He forgave. Satan was outraged!

"You are not just! This soul was mine all his life!" He shouted to Jesus: This one committed so many sins, while I committed only one, and You still created Hell for me."

Jesus then, with unbounded love, told Satan: "Lucifer! Did you ever ask Me for forgiveness?" Then Lucifer, seemingly beside himself, shouted: "That, never! That, I will never do!"

Then Jesus turned to me, "You see, if he would ask Me for forgiveness only once, Hell would cease to exist." (1)

I have been touched and harassed many times by evil spirits. Several times in my sleep, they have tried to smother me. I would feel something on top of me. For 30 seconds or so, I could not breathe, move or say the name Jesus. They constantly harass me with pictures and distractions when I am praying.

Jesus forgave and embraced an evil spirit

Sometime in 1999, an evil spirit was harassing me. I do not remember the name of the spirit. I asked my prayer partner to pray with me. I commanded this spirit to repent and accept Jesus as its Lord and Savior. My prayer partner immediately saw a wolf all bristled up with fangs showing, backing away, glaring violently at us saying, "Don't you dare." The next morning, I received Holy Communion for this spirit. My prayer partner, Jeff and I prayed again and asked the spirit to repent and accept Jesus as its Lord and Savior. The spirit fell prostrate on the floor and said, "Jesus, will you forgive me?" Jesus walked over and lifted the spirit off the floor, embraced him and said, "I most certainly will forgive you," and took him into the kingdom of heaven.

Jesus asked us to take authority over the princes of darkness hovering over each of the twelve tribes of Israel.

A few weeks later, my prayer partner Jeff and I were just praying. We were not praying about evil spirits. We had only prayed that one time when we asked an evil spirit to repent. While praying, Jeff received understanding that the Lord wanted us to pray for each of the twelve spirits that were princes of darkness over each of the twelve tribes of Israel. Jeff said these spirits were horrible, deformed, hunched back creatures that looked like gargoyles. As we commanded the spirits to repent, they walked up the steps onto a platform where Jesus was. As they walked up the steps, they straightened up and became beautiful white human-like creatures. Jesus embraced them and took them through a veil into the kingdom of heaven. This was the Lord asking us to pray. It was not our idea. This was Jesus confirming to Jeff and me that evil spirits can repent and go into the Kingdom.

Now, when I pray with someone who is being harassed by spirits, I command the spirits to repent and accept Jesus as their Lord and Savior. My prayer partners receive understanding as to what is going on.

Jeff received understanding that Saint Ambrose was the saint that prayed and prayed, asking the Lord to give Satan an opportunity to repent. St. Ambrose is one of the Fathers of the Church. I have not been able to confirm this. Jeff and I had not heard of St. Ambrose.

An article was posted on the internet by Joycelist2@Yahoogroups.com on March 2, 2005. The article told of a priest at a charismatic conference telling a crowd of about three thousand lay people and one hundred priests that "God is love, God is mercy and you will see His infinite Mercy at the end of the world, when Jesus will deliver all souls from Hell, even demons." (Comments – I do not know the priest's source of information. I have experiences in which a number of demons have repented and accepted Jesus as their Lord and Savior and went into the kingdom.) (2)

The Lord changes His mind

The internet speaks of the Lord changing His mind 34 times and did not do what He said He was going to do. The Scriptures speak of a number of times where the Lord said he regretted doing what He did. **If the Lord wants to forgive an evil spirit, who are we to say what the Lord can and cannot do.**

The Lord changed his mind and gave Hezekiah 15 more years.
2 Kings 20:1 In those days when Hezekiah was mortally ill, the prophet Isaiah, son of Amoz, came and said to him: Thus says the Lord: Put your house in order, for you are about to die; you shall not recover. He turned his face to the wall and prayed to the Lord: saying, O Lord, remember now how faithfully and wholeheartedly I conducted myself in your presence, doing what was pleasing to you! Hezekiah wept bitterly; Before Isaiah had left the central courtyard, the word of the Lord came to him: Go back and tell Hezekiah, the leader of my people: Thus says the Lord, the God of your forefather David: I have heard your prayer and seen your tears. I will heal you. In three days you shall go up to Lord's temple; I will add fifteen years to your life. (3)

The Lord was going to destroy the rebellious Israelites and start a new nation under Moses.
Deuteronomy 9:13-14 I have seen now how stiff-necked this people is, the Lord said to me. Let me be, that I may destroy them, and blot their name from under the heavens. I will make of you a nation mightier and greater than they. . . .
. . . . 9:26-28 This was my prayer to him: O Lord God, destroy not your people, the heritage which your majesty has ransomed and bought out of Egypt with your strong hand. Remember your servants Abraham, Isaac and Jacob. Look not upon the stubbornness of this people nor up on their wickedness and sin, lest the people from whose land you brought us say, the Lord was not able to bring them into the land He promised them. (3)

Moses interceded before the Lord asking Him to not destroy the Israelites. The Lord God changed His mind and did not do what He said He was going to do.

Jonah preached throughout the city of Nineveh that the Lord would destroy the city in forty days. The king proclaimed a fast. The people repented in sack cloth and ashes. The Lord revoked the sentence of evil that He said that He was going to do to them.

Amos 7:3 The Lord changed His mind about this. "It shall not be," said the Lord. (3)

Amos 7:6 The Lord changed his mind about this. "This too shall not be," said the Lord God. (3)

Jeremiah 18:8 If that against which I have spoken turns from its evil, I will relent concerning the calamity I planned to bring on it. (3)

Jeremiah 26:3: Perhaps they will listen and everyone will turn from his evil way that I may repent of the calamity which I am planning to do to them because of the evil of their deeds. (3)

Jeremiah 26:13 "Now therefore amend your ways and your deeds and obey the voice of the Lord your God, and the Lord will change His mind about the misfortune which he has pronounced against you. (3)

Jesus said that with His mercy He can get a multitude through the narrow gate with only a few left outside.

The Scripture says that narrow is the path that leads to the kingdom of Heaven, and while broad is the path that leads to destruction. **Jesus told Luisa Piccarreta that His mercy is able to get a multitude through the narrow gates while few would be left outside.** –The Crown of Sanctity by Daniel O'Connor – page 93

If the Lord wants to forgive evil spirits and allow a multitude of people into the kingdom, who are we to say what the Lord can and cannot do. The Lord's mercy is beyond human understanding.

Mark 9:38-40: "Teacher," said John, "we saw a man driving out demons in your name and we told him to stop, because he was not one of us." "Do not stop him," Jesus said. "No one who does a miracle in my name can in the next moment say anything bad about me, for whoever is not against us is for us" (5)

The Roman Ritual

Early one morning in prayer, a vision of the prayer on exorcism in the Roman Ritual appeared before my eyes. While my prayer partner and I were praying for an understanding, we received the following words:

The prayers of the Church in the Roman Ritual carry great power. Unfortunately, we are not being taught in our congregations about our powerful heritages.

When one of my sons was small, he was having trouble controlling both of his elimination functions. We received knowledge that there was a spirit involved. We were not having any success in praying for a healing. We were getting desperate. I started reading about exorcism in the Roman Ritual. The introduction to the prayers of exorcism said to pay attention to the prayers or words that cause a reaction, then to repeat them over and over until the person is set free. My son was asleep when I prayed for him. I noticed a reaction in the prayer concerning emotions. I read all the prayers on exorcism for three days with special emphasis on the ones concerning emotions. I spent two hours in prayer the first day and one hour the last two days. My son was set free on the third day.

On another occasion, one of my sons had high fever. The fever left immediately after I read the prayers of exorcism.

I started reading the prayers of exorcism for the protection of my mother and dad every day for about six months. During this time, I began including other people. I asked the Lord if

my prayers were diluted for my mother and dad when I started including other people. The Lord said:

Your prayers are not divided or diluted. Their words are more powerful today than 400 years ago. Today, much prayer is needed, and there are too few people to wage war with the enemy. It is the words of the authority of the Church. March on! Do not stop! You are scattering spirits to the point that they are running into each other. I say march on!

The gifts of tongues, knowledge, understanding and discernment are essential in exorcisms and in dealing with evil spirits. If a person just reads the prayer of exorcism without the gift of discernment, he will not know what spirit he is dealing with or the effect of the prayer on the evil spirits or if the spirits have left. It is best to have a team with gifts of knowledge, understanding and discernment when dealing with evil spirits. During an intercessory prayer meeting in our home, we received the following message from the Lord:

You do not know what a great gift I have given you to pray in tongues.

When we pray in tongues, it is the words of the Spirit interceding for us.

Romans 8:26-27: . . . the Spirit also helps our weakness; for we do not know how to pray as we should, but the Spirit Himself intercedes for us with groanings too deep for words; and He who searches the hearts knows what the mind of the Spirit is, because He intercedes for the saints according to the will of God. (3)

The Spirit makes intercession for the saints according to the will of God.

Romans 8:26-27 says that the Spirit of God makes intercession for us according to the will of God when we do not know how to pray. Our battle is not against flesh and blood, but against the unseen spiritual powers of darkness in the heavenly places.

Ephesians 6:12: For we are not fighting against people made of flesh and blood, but against persons without bodies - the evil rulers of the unseen world, those mighty satanic beings and great evil princes of darkness who rule this world; and against huge numbers of wicked spirits in the spirit world. (4)

How do we fight a battle against the unseen enemy, the unseen ruler of the unseen world, the power of darkness?

Since our battle is against the spiritual forces of darkness in the heavenly places, we do not know how to fight this battle or how to pray. This is the reason the Scripture in Ephesians 6:18, after the discussion of the unseen rulers and powers of darkness, says to pray always in the Spirit which is the same as praying in tongues.

Ephesians 6:18: With all prayer and petition pray at all times in the Spirit,. . . (3).

When we pray in the Spirit, the Holy Spirit makes intercession for us according to the will of God against the unseen forces of darkness. Praying in tongues is essential in exorcism and in dealing with evil spirits. There is power in our prayers when we pray in the Spirit. Demons hate the gift of tongues.

While praying for someone in Purgatory who refused to repent, the Lord gave me these words, "Is not My Word like a mighty hammer that crushes the rock to pieces. Send forth My Word and crush the rock of its heart (pride)."

Jeremiah 23:29: Is not My word like fire, says the Lord, and like a hammer that breaks in pieces the rock? (4)

"Is not My word like fire?" declares the Lord, "and like a hammer which shatters a rock?" (3)

When I prayed this prayer, the person repented immediately and went into the kingdom. Someone felt that I was forcing someone to repent against his or her will. I asked the Lord about this. He said that He does not force anyone to do anything against his or her will. When this prayer is quoted, it is His Word that convicts them and brings them into repentance. Every time we pray this prayer, the Lord can speak any word He wants to convict this person. Sometimes this prayer has to be said many times before one will repent, but most of the time it will bring one to his or her knees immediately. This is most effective when receiving Communion or Spiritual Communion for this intention. This is true for people in Purgatory as well as for evil spirits or fallen angels. When evil spirits repent and go into the kingdom of heaven, they will no longer torment anyone.

My prayer partner, Jeff, received the following message:

Words, Words, Words: Hear My Words. I am the Word. I have existed from the beginning. All things were made through Me, the Word. Words are important, pay heed to My Words for I am present in My Word. May it be done unto you according to My Word. My Words bring life. My Words bring truth. Listen to My Words that would come forth from your brothers and sisters. My Words bring faith. My Words bring power. My Words bring comfort. My Words bring conviction. My Words are the source of life. They bring light to you, My people. The light of My Word shines in darkness. Let My Word shine in you. The words of the world bring darkness and fear. My Words, the Words of the Spirit, bring the fruit of love.

When we quote Jeremiah 23:29: "Is not My word like fire, says the Lord, and like a hammer that breaks in pieces the rock?", the Word brings forth the Lord's life, presence, power, fire and conviction on persons or demons causing them to repent on their own. These words are quoted when we command fallen angels to repent and accept Jesus as their Lord and Savior.

September 10, 2002

After a three days' fast on nothing but water, I commanded the harassing spirit that was bothering me to identify itself. Jeff received understanding that it was a spirit of the sin of omission. Jeff and I both repented for our sins of omission. Immediately there was a ragged man at the foot of the cross. He took off running as fast as he could. I commanded him to stop in the name of Jesus. He ran into a large boulder or rock. I commanded him to come back to the cross. He pushed the boulder all the way back to the cross. He repented and accepted Jesus as his Lord and Savior and went on into the kingdom.

September 24, 2002

I saw a picture of myself when I was between 8 and 11 years old. I asked Jeff to pray with me for understanding. Jeff discerned that a spirit of fear had entered into me at that time. I remember having fearful dreams as a young boy. I repented for allowing fear to come in. I

came against the spirit of fear. Jeff saw a picture of a decrepit person, somewhat bent over as he walked. I commanded the spirit of fear to repent and accept Jesus as its Lord and Savior. The man straightened up somewhat, genuflected and said, "My Lord and my God!" and went on into the kingdom.

Jeff saw another spirit, a spirit of ridicule. I forgave all those people that made fun of me because I was deaf and had a speech impediment. This spirit also repented and accepted Jesus as its Lord and Savior.

Pains in lower back and right hip

April 2002

After fasting two to three days every week for 28 years, I quit fasting every week in 1998. I developed pains in my lower back and right hip, making it painful getting in and out of bed and turning over in bed. After six months of great discomfort, I received understanding in a dream that this was due to a harassing spirit. I went on a three-day-fast of water only. The Lord set me free with no more pain. Fasting with prayer is a very powerful tool, as it gets the Lord's attention quicker than prayer alone. This spirit accepted Jesus and went into the kingdom. I have not had any more pain in my hip since.

February 2003

I shared some of my experiences with a priest, Father XX about commanding evil spirits to repent and accept Jesus as their Lord and Savior. This priest does not believe evil spirits can repent and be saved. Nevertheless, he told me to keep notes. While giving a teaching to a group of people, Father XX looked at Jeff and said that evil spirits cannot repent. Jeff came to me and said we need to get a team together and pray for some discernment. While at the men's retreat in February 2003, Tom, Jeff and I prayed for some understanding. Tom had prayed with me for many years for people in Purgatory but had never prayed about an evil spirit. While we were praying, Tom, quickly spoke out loudly and said, "Oh yes, they can repent!"
May 26 2004

I have received many visions in my prayer time. Jeff prays with me for understanding or meaning of these visions most every week. We were not thinking or praying about Father XX when Jeff received the following words: "Within Father XX study and search, he will come to know the truth about what Msgr. Miesch had said, i.e. the Lord gave Satan an opportunity to repent which means other evil spirits can repent.

The Scripture speaks of the sins of the fathers affecting their descendants to the third and fourth generation (Numbers 14:18). If an ancestor is in Purgatory with unrepented sins, it can affect the descendants to the third and fourth generation, which could be up to 150 years or more. I am at this moment 84 years old. I have two grandsons who are four and seven years old.

All sicknesses, afflictions and injuries are not due to sin or evil spirits. Serious sin can lead to sickness or affliction. When my prayer partner and I pray for someone, we ask the Lord if there is a spirit involved; if so, we command the spirit that is causing the affliction or sickness to identify itself. An evil spirit can be involved when there is no sin. If the affliction or sickness is due to the sin of an ancestor in Purgatory, we repent for the sin and pray for the ancestor to be released from Purgatory. This breaks the bondage of the curse of the sin.

My prayer partners and I have prayed for people with all kinds of afflictions: cancers, tumors, mental problems, etc. The people for whom we prayed for did not know we prayed for them. We did not share the information we received with them, as we were not led to do so.

The Lord has revealed that no healing can take place unless the person for whom the healing is meant for has the faith to receive it. This is the way it has been from the beginning. Some of the people with cancers, tumors etc. were healed through their doctors.

Why the people for whom Jesus prayed for were healed and most of the people I prayed for were not healed..

The people Jesus prayed for came to Him with expectant faith to be healed. Though Jesus allowed my prayer partners and me to deal with evil spirits, the people we prayed for did not know anyone was praying for them. There was no expectant faith for healing to take place.

God the Father said that there was no one who walked the face of the earth that had more faith than Jesus; yet, Jesus could not perform any miracle in a certain village because of unbelief. With faith all things are possible to those who believe. Without faith, nothing is possible, not even to those that are member of His body.

Jesus had to pray two times for a blind man to be healed. Mark 8:22-25

Prayer for Jimmy

A father asked us to pray for his son Jimmy, who had many problems: drugs, depressions, in and out of mental institutions, etc. Jimmy - in his late twenties - was a street-person sleeping under bridges and in tents in the woods. His dad had to call the police a number of times to have him arrested for violence. He was a troublemaker and would not work. The father was unable to find anyone to pray for his son. I offered to pray for his son.

March 1, 2004

Jeff and I received Communion and started reading the prayers of exorcism from the Roman Ritual for four days before getting together to pray. Jimmy was not with us when we prayed. While praying, Jeff received understanding that we needed to deal with the following spirits:

Deceiving Spirit - We took authority over a deceiving spirit and commanded it to repent and accept Jesus as its Lord and Savior. The **deceiving spirit** was an awful-looking creature with snake-like scales on its arms and body. The spirit fell to the floor wiggling and rolling around and began shedding its skin like a snake. A beautiful human-like creature came out of the shed skin, bowed his head down, lifted his arm and ascended into the kingdom.

Lying Spirit – When we commanded the **lying spirit** to repent and accept Jesus as its Lord and Savior, the spirit fell and rolled around on the ground and suddenly rose up with his hands into the air and ascended into heaven.

Unforgiving Spirit – There were a dozen or so **unforgiving spirits** with one large spirit standing in front. When we commanded the leader to repent and accept Jesus as his Lord and Savior, he fell to the ground and started crawling, then raised his arms and ascended into heaven. When we took authority over the other **unforgiving spirits**, they also ascended into heaven in like manner.

The Lord said, "This is enough for now."
When these spirits repent and accept Jesus as their Lord and Savior, they are transformed into beautiful white human-like persons.

March 3, 2004

Jeff and I had been reading the prayer of exorcism from the Old Roman Ritual everyday for Jimmy. After reading it together that day, I asked the Lord about the **deceiving, lying and unforgiving spirits** that we dealt with on March 1st. Jeff saw a light indicating they were all in the kingdom of heaven. We asked the Lord if any other deceiving, lying and unforgiving spirits had come into Jimmy. The answer was "No!"

Jeff received an understanding that we need to deal with the **spirit of fear**. When I commanded the **spirit of fear** to repent, Jeff saw two spirits, with knowledge that one was **a good spirit of fear** and the other was **a bad spirit of fear**. We received understanding that **the good spirit of fear was a ministering angel of the Lord**. When we commanded the bad spirit of fear to repent, the good spirit of fear knocked the bad spirit of fear to the ground. Again when we commanded the bad spirit of fear to repent and accept Jesus as its Lord and Savior, the good spirit of fear lifted the bad spirit of fear up and said, "Your sins are forgiven". Then the spirit went on into the kingdom. We asked the spirit of fear of the angel of the Lord to put a strong spirit of fear of the Lord in Jimmy.

Jeff discerned that Jimmy had a **brazen spirit**. When we commanded the **brazen spirit** to repent, Jeff saw a small ugly dwarf creature jumping all over the place like he was standing on something hot or was on fire. Finally **the angel of fear of the Lord** poured a bucket of Holy Water on him. The **brazen spirit** became a beautiful human-like creature and went on into the kingdom of Heaven. We called forth a humble, docile spirit into Jimmy. Afterward the Lord said, "This was enough for today".

We prayed for Mark who went to the hospital with a rapidly beating heart. We commanded the spirit to identify itself and received understanding that it was a **spirit of infirmity**. We asked if there was a sin involved and got "No!" The spirit was very ugly. He came out of Mark and was very quickly engulfed in light and went on into the kingdom.

March 9, 2004

Jeff, Bob and I read the prayers of exorcism from the Roman Ritual for Jimmy. Jeff received knowledge to come against the **spirit of stubbornness**. As we prayed, Jeff in a vision saw a very ugly, timid, shy, animal-like creature hugging the floor trying to creep away from Jimmy. I commanded the creature to stop, repent and accept Jesus as its Lord and Savior. Michael the Archangel lifted him up as a beautiful human-like creature and took him into the kingdom. Jimmy was never with us when we prayed.

We came against the **spirit of rebellion**. This spirit hid behind a huge rock. Jesus reached around the rock and took him into the kingdom. The Lord said, "This is sufficient for now."

We prayed and asked the Lord for discernment on Kerry and his ordination as a deacon. Jeff received an understanding to come against the **spirit of slander** that was spoken against him. When I came against the **spirit of slander** and commanded it to repent and accept Jesus as its Lord and Savior, Jeff saw a snake crawling out of darkness. The snake quickly turned into a beautiful human-like creature and went into the kingdom. Kerry was later ordained a priest in another diocese.

March 12, 2004

Jeff, Bob and I read the prayers of exorcism from the Roman Ritual for Jimmy. Jeff received understanding that we need to come against a **stalking or mocking spirit**. We commanded this spirit to repent and accept Jesus as its Lord and Savior. This spirit came out quickly and went into the kingdom.

The next spirit was a **confusing spirit**. This spirit, which was an awful looking creature covered with filthy, drooping slime in a filthy cesspool. When we commanded it to repent and

accept Jesus as its Lord and Savior, it put up a lot of resistance. This spirit wiggled and resisted on the floor before coming out. When this spirit came out of its filthy slimy skin, he took off running and hollering, "I'm saved. I'm saved" and went on into the kingdom. The Lord said, "That is enough for now." We asked the Holy Spirit to fill Jimmy with a clear-thinking mind.

This is interesting. The **confusing spirit** resisted our commands, but when he did obey our command, he was happy to be set free and saved. It is obvious that these demon spirits are like the poor souls in Purgatory. They cannot help themselves but can be set free by our prayers.

March 17, 2004

Jeff and I read the prayers of exorcism from the Roman Ritual for Jimmy. Jeff received an understanding to come against a **tormenting spirit**. After commanding this spirit to repent and accept Jesus as its Lord and Savior, a very ugly animal-like creature came out of a swamp dripping with slime and algae. Suddenly, there appeared a large, powerful angel radiating as a bright light, who poured Holy Water on this **tormenting spirit**. This spirit turned into a beautiful human-like creature and went up into the kingdom. Jeff and I commanded all the seed of this tormenting spirit to come out. Jeff saw four or five more small creatures come out of a filthy cesspool of a swamp and go right into the kingdom of Heaven.

The Lord revealed that we should deal the **hardness of heart spirit**. After commanding the spirit to repent, Jeff said the spirit was hiding behind a rock. The spirit came out from behind a rock crawling low on the ground. Another large, powerful angel poured Holy Water on the **hardness of heart spirit**, which became a beautiful human-like creature and went on into the kingdom. We asked the Sacred Heart of Jesus to go into Jimmy. Jeff felt a great peace come over him. The Lord said, "This is sufficient for now."

We asked the Lord why there were different levels of resistance in these fallen spirits. The Lord said that the different levels of resistance were due to the different levels of commitment to their leader.

March 19, 2004

Jeff, Bob and I read the prayers of exorcism from the Roman Ritual for Jimmy. Jeff received understanding that we were to deal with the **spirit of anger**. This was a tough one. In a vision, Jeff saw Jimmy sitting down shivering, shuddering and shaking every time we came against the **spirit of anger**. It did not want to let go. When Jeff noticed that the spirit was hesitating, he would tell me to quote the Word, "Is not My Word like a mighty hammer that crushes the rock to pieces, send forth My Word and crush the rock of its heart." This brought the spirit out. After coming out, he was very reluctant to repent. I told him to repent and to enter the kingdom of Heaven. The spirit attempted to enter the kingdom without repenting. Suddenly the gate of Heaven slammed shut on him. My prayer partner said, "Send him to the pit because he would not repent." I started again commanding the spirit to repent. Michael the Archangel appeared and started whipping him with a sword, which is the Word of God. Finally, the **spirit of anger** said, "Enough! Enough! He repented." The gate of heaven opened, and he went on in. The Lord said, "This is enough for today."

We have been praying for this woman, a lesbian, for years. We commanded the **deceiving spirit** to repent. The spirit came creeping out from behind some rocks. A very large, powerful angel radiating as in a bright light appeared and poured Holy Water on the **deceiving spirit**. The spirit repented and went on into the kingdom. We asked the Lord who this powerful angel was. Jeff received the understanding that this angel was the **Archangel Raphael**. Jeff said this was the same angel that appeared before and poured Holy Water on demon spirits forcing them to repent.

(Note: This woman had a child by artificial insemination while she was a lesbian. Years later we heard that she is no longer living as a lesbian and has married her high school sweetheart. She had lived as a lesbian for around 15 years)

March 24, 2004

Jeff and I read the prayers of exorcism for Jimmy. Jeff received an understanding to come against the **spirit of self-will and all of its seeds**. This spirit was a horrible deformed gargoyle, animal-like creature who tried to hide behind rocks. This spirit came creeping out. Archangel Raphael poured Holy Water on him, and he went right into the kingdom. The Lord said, "**This was a major breakthrough**. This is sufficient for now."

I came against a **harassing spirit** that was harassing me. I also came against a **stubborn spirit**. They both repented and went into the kingdom.

March 25, 2004

Bobby asked Jeff and me to come over to his house to pray with him about his heart. Those present were Bobby, his wife, Ann, Jeff and I. I took authority over the **harassing spirit**, commanded it to repent and to accept Jesus as its Lord and Savior. Jeff saw the Archangel Raphael pour Holy Water on the **harassing spirit**, which then went on into the kingdom. Jeff asked me to pray for his wife for some medical problem. I commanded the **harassing spirit** to repent and accept Jesus. Jeff saw Archangel Raphael pour Holy Water on the spirit, who then went on into the kingdom.

April 6, 2004

Jeff and I read the prayers of exorcism from the Roman Ritual for Jimmy. The Lord said, "Now is the time to deal with the **spirit of rejection**." Jeff received understanding that the **spirit of rejection** had entered Jimmy when he was in preschool. Jeff saw Jimmy being rejected by some of the children and then being scolded by one of the teachers. This spirit came creeping out as an **octopus with its many tentacles**. We commanded it with all of its seeds to repent and accept Jesus as its Lord and Savior. The Archangel Raphael poured Holy Water on the octopus. The **octopus with all of its seeds** went on into the kingdom as a beautiful human-like creature. The Lord said, "That is enough for now."

April 13, 2004

Jeff and I read the prayers of exorcism from the Roman Ritual for Jimmy. Jeff received an understanding to come against the **spirit of strife** in Jimmy. This spirit came out as a horrible, ugly, looking dog. When the Archangel Raphael poured Holy Water on the spirit, it became a beautiful human-like creature and went into the kingdom of Heaven. We commanded a **spirit of peace** to come into Jimmy. This was all we received understanding to pray for.

Jeff and I have always sought the Lord's permission before we took authority over any spirit.

April 15, 2004

The doctor took X-rays of my arm and shoulder and said, "You have some arthritis." For a number of years (15 years or more), I have had some irritation as if there were some grains of sand in my rotator cuff. While Bobby and I were praying, I commanded the **spirit of arthritis** to repent and accept Jesus as its Lord and Savior. Bobby said the spirit did repent and went on into the kingdom. I no longer have the sand-like feeling or irritation in my rotator cuff. As of 12/15/2016, the sand-like feeling has not returned.

April 19, 2004

While Jeff and I were praying for a priest, Jeff saw a **spirit of obstruction** trying to keep him from doing the Lord's work. We took authority over this **spirit of obstruction**. Jeff saw this spirit come out of a rock. The rock melted and the spirit disappeared. I commanded the spirit to come back, repent and accept Jesus as its Lord and Savior. Jeff said this spirit was a serpent. When the spirit came back, the Archangel Raphael poured Holy Water on the serpent. It became a beautiful, human-like creature and went on into the kingdom. We commanded all of its seeds to repent, accept Jesus, and to go into the kingdom. The same thing happened, and all went into the kingdom.

May 24, 2004

Our friends Bud and his wife, Linda, have always had problems. As we were praying for them, Jeff received understanding that we needed to deal with the **spirit of rebellion** in Bud. As we commanded the **spirit of rebellion** to repent, the spirit spoke to Jeff and me and said, **"Who do you think you are? You have no power to ask me to leave."** Then the **Lord Jesus Christ spoke to the spirit and said that He was the Lord of lords and the King of kings, the Lamb of God who was asking him to leave.** It was not by our power but by the Lord God Almighty's power. The spirit started trembling as I repeated the words, "Is not My Word like a mighty hammer that crushes the rock to pieces. Send forth My Word and crush the rock of its heart." The spirit came out and an angel poured Holy Water on him. The **spirit of rebellion** went into the kingdom.

SERAPHIC

I was having trouble breathing and getting my breath at night. I spent two nights sleeping in a chair because of difficulty getting my breath. While praying before the Blessed Sacrament Friday morning (June 5, 2004), I asked the Blessed Mother and Jesus to help me. After Mass, I came home and prayed. I had a vision of the word "**seraphic**." I looked up the word in the dictionary. "**Seraphic**" is the adjective of the word "**Seraphim**", which the dictionary said is one of the highest orders of angels in heaven before the throne of God. This angel is mentioned in Isaiah 6:2. I asked my prayer partner, Allen, if this was from the Lord. Allen received, "Yes!" Then he saw two men wrapped in clothing like Egyptian mummies. He then saw the outline of faces wearing big brimmed hats of the 40's. He saw the **faces of two powerful evil spirits**. Allen was frightened and immediately pleaded the Blood of Jesus for protection.

Allen saw many horrible faces and also the hand and arm of an extremely wealthy king with a knife made of gold. A spirit attempted to stab Allen in the back. The knife broke when the blunt force touched Allen's back. Allen also saw ugly faces of distorted men at a barroom as in the 1800's, businessmen – gambler-like with big brimmed hats.

He saw a round face of an ugly black woman, with a wicked smile, which changed to more white and older. Allen said he had never seen these kinds of faces. He saw a picture of a cat like a mountain lion, alive but covered in gold. After pleading the Blood of Jesus, he saw Jesus as on a shroud, but softer and breathing. **Allen said these two spirits want me dead.**

We asked for the names of the sins involved with the mummies but did not get anything.

I believe the Lord was showing me that the word "**seraphic**" applies to these two spirits that are powerful forces of darkness.

Saturday, when I received Communion for these two spirits, I had a vision that started as a small circle of deep red, which looked like blood. As I continued to pray asking the Lord to cover these two spirits with His Blood, the small circle grew to a full view of rich red blood. There was movement in the blood that looked like fire. I received Communion for these two spirits for four days.

Jeff prayed with me on Tuesday, June 9, 2004. He received the word "**Phoenix**" – the prehistoric bird that rises from ashes to life. This is a myth, as only God can give life. We came against the **spirit of mythology**. I quoted the Scripture, 1 John 5:16, paraphrasing the words, "If you see one commit a sin which is not into death, you shall pray and it shall be forgiven them." After some resistance, the spirit repented and went into the kingdom. The second spirit was **idolatry**. Again there was some resistance. While we were praying, Jeff sensed the spirit was on the verge of repenting. He said, "Mike, say the words." I quoted the words, "Is not My Word like a mighty hammer that crushes the rock to pieces, send forth My Word and crush the rock of its heart." The spirit came out and Holy Water was poured on him. He turned into a beautiful human-like creature. **Jeff said this spirit was different from all other spirits, as he had a white cape on his back, meaning that he was a high-ranking angel.** Suddenly, he was kneeling before Michael the Archangel, who knighted this fallen angel by using his sword touching first the top of his head then his right shoulder then the left shoulder. Michael took him into the kingdom. It is interesting that the Catholic Dictionary spoke of Michael the Archangel as a seraph.

We prayed that all the seeds of these two fallen angels would repent. **Jeff said hundreds of spirits came out reminding him of the Pied Piper who led the rats out of town.** As the spirits came out, a light from heaven came down and transformed them and took them into the kingdom. Jeff said that when these fallen angels or evil spirits are transformed, they are very white and human-like.

Apparently, this was a fallen archangel that was attacking me as the Lord showed me the word seraphic when I was having trouble getting my breath. My prayer partner said these spirits wanted me dead. I asked the Lord if I had committed a sin that caused these powerful fallen archangels to attack me. The Lord said, "No! This was allowed to test you and to strengthen your faith." Afterwards, I had no problem breathing.

Lesbians

When we came against the **deceiving spirits** in two lesbian women, two deceiving spirits appeared. A very large, powerful, light-radiating angel poured Holy Water onto these spirits. They became beautiful human-like and went right into the kingdom. We requested the **spirit of truth** to come into these two women. The Lord revealed that He would deal with and convict these women in a simple manner such as through a child.

After praying I had a dream in which the mother of one of the lesbians told me that her daughter had been set free. This mother, who is with the Lord, said, "Oh, how she hated the name **Morencho** (sp). Al believes this was the name of a lesbian spirit. Jeff discerned that this was a masculine spirit with whom we needed to deal with. There was some resistance, but the spirit finally repented and went into the kingdom.

This lesbian grew up as a tomboy. Bob said he also knew of a lesbian that grew up as a tomboy.

July 16, 2004

Jimmy's dad told us that Jimmy had quit taking his medication and was acting up again. Jeff and I prayed for understanding. I asked the Lord if any of spirits had returned. Jeff received the word, "No!" Then I asked the Lord if we had missed any spirit? The answer was "Yes!" The **spirit of shame and embarrassment**. We commanded the spirit to repent and accept Jesus as its Lord and Savior. A serpent came crawling and wiggling out. The Archangel Raphael poured Holy Water on him, and he went on into the kingdom. We commanded all the seeds to come out. Jeff saw many, many spirits come out. A light from heaven hit them, and they went on into the kingdom of Heaven.

On February 21, 2005, Jeff and I were praying. We heard that Jimmy was still having some problems. As we began to pray, it came to me that we need to pray to see **if any of the grandparents and great-grandparents were in Purgatory**. It turned out that Jimmy had one grandparent and several great-grandparents in Purgatory. Each person has four grandparents and eight great-grandparents. The Scripture says that a curse from parents can be passed to the children to the fourth generation (Numbers 14:18). Curses are the results of sins committed by the parents. A parent in Purgatory or Hell with unrepented sins can affect the children to the fourth generation. A great-grandmother was in Purgatory. She was being attacked and smothered by a large ugly demon with long animal-like claws. After repenting for her sin for being involved with witchcraft, she was set free. I commanded this demon that was attacking her to repent and accept Jesus as his Lord and Savior. I quoted the Word – "Is not My Word like a mighty hammer that crushes the rock to pieces. Send forth My Word and crush the rock of its heart." **The horrible looking demon with long claws shrunk in size, became a small beautiful baby cherub and went into the kingdom**. This is the first time I had ever commanded a demon in Purgatory to repent and accept Jesus as its Lord and Savior. This also was the first time I have encountered a cherub.

Jimmy had been involved with drugs and lived as a street person for years. He had been in mental institutions a number of times. There was no immediate improvement. A few years later Jimmy is doing fine. He is receiving disability, and I have heard that Jimmy is attending Mass daily.

June 20, 2005

A friend's 45-years-old adopted son, Tim, was involved with drugs as a teenager, which greatly affected his mind. He had recently been placed in a mental institution. The father asked Jeff and me to get together and pray with him for his son. Bob joined us in praying for Tim, who was not present when we prayed. We asked the Lord about Tim's natural parents, grandparents and great-grandparents. Some of the grandparents and great-grandparents were in Purgatory. The great-grandmothers on both the mother's and the father's side of the family had been involved in the occults. We repented for the sins of those in Purgatory and set them free. We dealt with a number of spirits in Tim with **rebellion** being the key spirit. The **rebellious spirit** did not want to leave. As we started praying, there was a vision of Tim strapped down on a bed or table. We prayed and came against the **spirit of rebellion**, "Is not My Word like a mighty hammer that crushes the rock to pieces, send forth My Word and crush the rock of its heart." The straps broke and Tim relaxed. The **spirit of rebellion** disappeared. I commanded the spirit to come back, repent and accept Jesus as its Lord and Savior. It refused to do so. We read the long prayer of exorcism from the Roman Ritual. Suddenly Tim was strapped down again. The **rebellious spirit** would not repent. At this point, **I asked St. Michael the Archangel to give me Spiritual Communion for the spirit of rebellion. I opened my mouth to receive Spiritual Communion. The spirit immediately repented, turned white and went into the kingdom**. We had prayed for about two hours. The Lord said that this was sufficient for now.

June 27, 2005

The father and I prayed. We read the prayer of exorcism and came against the **spirits of stubbornness, disobedience, anti-submissiveness and self-will**, which are the spirits listed under rebellion. **I had to receive spiritual communion for three of these spirits before they repented and went into the kingdom.**

Early in the morning (4:43 am) on June 28, 2005 the word "**revenge**" was spoken to me. Tim attempted to kill someone on at least two different occasions. Revenge involved another group of spirits: anger, bitterness, hatred, and murder. Tim had also attempted suicide. On June 30, 2005 Bob and I met at Jeff's house and we prayed. Jeff told the father that he really needed to pray "the Prayer of Lord have Mercy" a number of times a day and whenever Tim came to his mind. We had read the long prayer of exorcism. **Suddenly all of the spirits listed above were all sitting on the floor all huddled together trembling and shaking. As we prayed, Michael the Archangel took them one at a time, and they each turned into a beautiful white human-like person and went into the kingdom.**

After all of our dealings with these spirits, Tim did not improve. He is in a mental institution. His mind was greatly damaged by drugs. Healing does not always occur when an evil spirit is dealt with.

June 1, 2009

Sylvia is having problems with her ex-husband who is trying to get custody of their two children. The ex-husband's new wife and mother-in-law are involved in the occult and witchcraft.

A friend told Sylvia that, while she was going through a divorce, she read the exorcism prayer in the Roman Ritual daily for the protection of her children. She suggested that Sylvia read the prayer of exorcism daily for protection of her family. The word **Simeon** came to Sylvia while she was reading the prayer of exorcism from the Roman Ritual specifically when reading the name **Elymas, the sorcerer**. Jeff, Ann and I prayed for discernment and understanding about Simeon. Simeon, in Acts 8:9, was a magician who practices magic. We believe Simeon was a powerful witchcraft spirit that was being used by Sylvia's ex-husband and family against her and her children. **When I came against this witchcraft spirit, Jeff saw a very large land lizard, larger than an alligator.** I commanded the spirit to repent and accept Jesus as its Lord and Savior. I quoted the scripture, "Is not My Word like a mighty hammer that crushes the rock to pieces. Send forth My Word and crush the rock of its heart." The lizard started twisting, turning and became very nervous. When I asked St. Raphael the Archangel to pour Holy Water on the lizard and for St. Michael the Archangel to whip him with the Sword (Word of God), **the lizard started growling. Then he turned into a lamb and went peacefully into the kingdom of Heaven.** The area became very serene and peaceful. We took authority over all other spirits under the witchcraft spirit and commanded them to repent, accept Jesus as their Savior and go into the kingdom of Heaven.

January 25, 2010

Sylvia's ex-husband brought a lawsuit to get custody of their 8 and 10-year-old boys. He is a fallen-away Catholic, who married an older woman who had two previous marriages. Sylvia had asked my wife and me to attend the pretrial hearing and pray for her and her lawyer. I had fasted and prayed in tongues during the pretrial hearing. Sylvia and her lawyer documented and cited 20 agreements that the ex-husband did not keep after he had signed the divorce decree in 2005. The ex-husband made the comment that he had no intention of keeping the divorce decree. He was cited for contempt of court and will have to go before a criminal judge. I was viciously attacked during the hearing with the urge to urinate but was

unable. I had no problem urinating when I got home. Early the next morning as I began to pray, my right hand and wrist went limp and hurt all morning. I could not use my right hand. At noon I asked my prayer partner to pray with me for discernment. He said a **spirit of revenge** had attacked me. We commanded the **spirit of revenge** to repent and accept Jesus as his Lord and Savior. The spirit went into the kingdom. Immediately my hand was OK.

January 26, 2010

I got up at 4:30 a.m. to pray. Suddenly the palm of my left hand below my thumb became very tender and sore. It hurt just to move my hand. For several years I have had problems urinating from time to time during the night and early in the morning, especially after drinking a lot of liquids, and holding it too long. I have not had any problems during the day. After the attack during the pretrial hearing, I knew this was a spirit. This morning I received Communion for these spirits.

My prayer partner received understanding that the spirit attacking my left hand was a **spirit of retaliation** for praying and fasting during the pretrial hearing. This spirit repented and went into the kingdom. My hand was no longer sore afterwards.

The spirit affecting my urination was a **spirit of deceit**. After a lot of resistance, Jeff said I needed to receive communion for this spirit. I asked St. Michael the Archangel to put a host on my tongue as I opened my mouth to receive Spiritual Communion. Immediately the **spirit of deceit** came out. I asked the **spirit of deceit** to repent and accept Jesus as his Lord and Savior. The spirit suddenly appeared as a beautiful flower. As we commanded the flower to repent, the flower and leaves withered. This demon was trying to deceive us. I kept commanding the withered flower and plant to repent. A beautiful white lily appeared. Again, this was a deceit. Jesus is known as the Lily of the Valley. In this case, the lily was the demon appearing as an angel of light. I kept commanding the white lily flower to repent. I asked St. Michael the Archangel to pour Holy Water on the **spirit of deceit**. Finally, a demon appeared, repented and went into the kingdom. After a week, I can definitely tell that there is improvement with my prostrate and urination.

Jeff discerned that the spirit attacking my knees was a **spirit of stress**. I repented for allowing myself to be under stress. I commanded the spirit to repent and accept Jesus as his Savior. This spirit put up some resistance. Jeff said I needed to receive Communion for the spirit. After receiving Spiritual Communion, the spirit repented and went into the kingdom. There was no immediate improvement on my knee after dealing with this spirit.

We came against the spirit attacking Jeff's prostate. After much resistance, the spirit repented and went into the kingdom.

A friend, who is studying to be a deacon, was in critical condition in intensive care. We received understanding that this attack was a **spirit of retaliation**. We came against the **spirit of retaliation**. This spirit repented and went into the kingdom. The Scripture says that if you are going to serve the Lord, to prepare for an ordeal. You will be attacked.

Sirach: 2:1 "My son, if you aspire to serve the Lord, prepare yourself for an ordeal."

When Jeff and I finished praying (This was by telephone), Jeff's wife, said, "We are being attacked." We had to come against the **spirit of retaliation** that was attacking Jeff and his wife after we stopped praying. This spirit repented and went into the kingdom. Several days later, Jeff said they have not had any more problems.

February 9, 2010

For ten days I had no problems with urinating. On the eleventh and twelfth days I experienced some problem early in the morning. I asked Jeff to pray to discern if another spirit

had come in. Jeff received knowledge that a **spirit of confusion** had gotten in. This spirit repented and went into the kingdom. As of 2/16/10 I have had no more problems urinating.

February 4, 2010

Before going to bed I asked St. Michael to watch over me through the night. I woke up from a deep sleep with intense chest pain – the kind of pain that the Lord uses to get my attention to pray. I knew I was under an intense attack. Afterward, I had a vision of a man standing in the room as a sentry. I had knowledge that there were three men standing as sentries in the bedroom, but I saw only one.

My prayer partner said I was under an intense attack from the enemy. He received understanding that the three men standing as sentries and guards were St. Michael the Archangel, St. Raphael the Archangel and St. Gabriel the Archangel.

June 5, 2010

Buddy was having heart monitor problems as it erroneously showed his heart beating 175 beats a minute. Jeff received understanding that the monitor was faulty, and Buddy needed to get another one. I asked Jeff if there was a spirit involved. He received understanding that a **spirit of deceit** was messing with the monitor. As I commanded the spirit to repent, Jeff saw a small weed that wilted as we were praying. Again, this is deceit to get us to stop praying. I asked St. Michael to pour Holy Water on the wilted plant. The spirit appeared, repented and went into the kingdom.

August 8, 2010 A **very unusual experience**

I had been fighting a bladder infection for several days and was having problems urinating. On Thursday night I had an experience I had never previously encountered. The moment I shut my eyes to go sleep, it was daylight. When I opened my eyes, it was dark. All night long I was seeing pictures and movie scenes all in color: soldiers in the civil war, children marching in the street, animals playing in the desert, etc. It was movie scenes and pictures continuously in daylight, all night long. I could not sleep. People would appear talking to me. What they said did not make sense. Visions of things I read during the night did not make sense. I had a vision of Jeff who said, "I have just now found the Lord." (Note – At this time Jeff had been receiving visions and messages from the Lord for over 35 years) At 3:15 am I said to the **spirit of confusion**, "I command you to repent and accept Jesus as your Lord and Savior." Then I asked St. Michael the Archangel to use a fire hose of Holy Water on this spirit. The visions stopped for about 15 minutes. I could shut my eyes and it was dark. Then the daylight visions and scenes started again. I had asked St. Michael the Archangel, Jesus, the Blessed Mother, and the saints for protection and help off and on through the night, but I did not get any help. I could not sleep. I called Jeff, my prayer partner, the next day. He said it was a **spirit of confusion** and a **spirit of infirmity**. **He said both looked like gargoyles.** We commanded the spirits to repent and go into the kingdom. When they repented, they became human-like. They both went into the kingdom. The Scriptures say that the prayer of one will put a thousand to flight, while the prayer of two will put ten thousand to flight.

Deuteronomy 32:30: How could one have chased 1,000 and two put 10,000 to flight, except their rock had sold them, and the Lord had delivered them up? (4)

When Jesus gave His disciples' power over evil spirits, He sent them out two by two. Mark 6:7: And He summoned the twelve and began to send them out in pairs; and He was giving them authority over unclean spirits. (3)

Luke 10:1,17-20: Now after this the Lord appointed seventy others and sent them two and two ahead of Him to every city and place where He Himself was going to come. . . . And the seventy returned with joy, saying, "Lord, even the demons are subject to us in your name. And He said unto them, I was watching Satan fall from heaven like lightning. Behold, I have given you authority to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you. Nevertheless, do not rejoice in this, that the spirits are subject to you, but rejoice that your names are recorded in Heaven. (3)

There is definitely more power when two or more are gathered to pray. Jesus said, "Where two or more are gathered together in My name, there I am in the midst of them." (Matthew 18:20)

I believe the Lord was allowing me to experience what drug addicts go through when they hallucinate.

November 9, 2010

I went to the doctor for a pinched nerve in the lower back. A week later, I went back to the doctor. The pain pills were not helping. The doctor gave me a shot in the spot of the pinched nerve. I told him the only thing that was giving me any relief was three pills of Advil. The doctor told me to take three pills of Advil three times a day. He gave me some exercises to try. He said if this did not work, they would have to do an MRI. Two weeks later at a family gathering after Thanksgiving, the pain was continuously more intense and was not getting any better. I asked Michael to pray with me. I commanded the spirit that was attacking me to identify itself. My prayer partner received understanding that it was a **spirit of fear of submission**. I did not understand as I was not aware of any sin involving submission. I repented for any sin of fear of submission. I commanded the **spirit of fear to submission** to repent and accept Jesus as its Lord and Savior. The spirit went into the kingdom. I was immediately set free of pain. Though I had prayed and had come against any spirit that was attacking me, for several weeks I was not able to get the victory until I prayed with a prayer partner who has the gift of discernment. This shows the power of prayer when two or more are gathered together in Jesus' name.

The next day I started having severe cramps in my left leg from the hip, down to my thigh, to my calf and feet. Michael said this was a **spirit of fear of obedience**. Again, I did not understand as I was not aware of any disobedience. I repented for any sin of disobedience. We were interrupted and were unable to finish praying. The cramp did not stop until three weeks later when I had an opportunity to pray with my prayer partner, Jeff. There is definitely more power when two or more are praying.

March 13, 2011

From time to time, I have a need to cough and clear my throat during Mass. I fight this urge often to the point where my eyes will tear-up. On this particular Sunday, not knowing that there was a spirit involved, I said to St. Michael the Archangel, "Pour Holy Water on this spirit." Immediately, I was relieved of the urge to cough.

May 3, 2011

A friend developed severe cramps in her left foot and leg while we were talking. I immediately said, "St. Michael the Archangel, pour Holy Water on this spirit." I commanded the spirit to repent, accept Jesus and go into the kingdom. Her cramps stopped immediately.

A friend has both Parkinson and Multiple Sclerosis. He reached the point where he could not walk or control his movements or body. My wife and I went on water-only-fast for 4 days, 2 days and 4 days for this person and lifted up our other friend while we were on the fast. My

prayer partner and I commanded the spirit that was attacking him to identify itself. We received understanding it was **due to a sin of one of his great-grandfathers, who had extreme hatred in his heart.** The great-grandfather was in Purgatory. We repented for the sin of the great-grandfather who afterward was released from Purgatory and went into the kingdom. The **spirit of extreme hatred,** which was attacking our friend repented, accepted Jesus and went into the kingdom. My prayer partner and I also dealt with a **judgmental spirit** who also repented and went into the kingdom. When we repented for the sin, the great-grandfather was released from Purgatory. When a person is released from Purgatory, this breaks the curse of the sin that was passed to descendants. The Scripture below shows that the curse of the sins of the fathers can be passed to the children up to the fourth generation.

Number 14:18: The Lord is slow to anger, abounding in love and forgiving sin and rebellion. Yet He does not leave the guilty unpunished; He punishes the children for the sin of the fathers to the third and fourth generation. (5)

Our friend is doing much better and is walking again.
As of March 15, 2017, six years later, he is doing great.

May 28, 2011

Three women prayed with a lady friend in our home using Neal Lozano's *Unbound's* guide for deliverance (6). The lady had been having serious attacks of migraine headaches for a number of years. My prayer partner, Jeff, my wife, and I prayed in another room. I told Jeff that we were going to take authority over all of these spirits involved in this deliverance and commanded them to repent and go into the kingdom of Heaven. As we began to pray we received understanding that the **leader or head spirit was pride.** I asked St. Michael the Archangel to pour a fire hose of Holy Water on these spirits and to command all of them to repent and go into the kingdom. The **spirit of pride** put up some resistance. I quoted the Word – "Is not My Word like a mighty hammer and like fire which crushes the rock to pieces. Send forth My Word and crush the rock of its heart." **I commanded the spirit of pride to repent and to take all of his companions into the kingdom of Heaven, just as the Pied Piper led all the rats out of the city. Jeff had a vision of hundreds of spirits being transformed into white human-like creatures and instantly ascending upward into the kingdom of Heaven.** Holy Water has a powerful effect on these spirits.

The Lord had previously revealed that the reason some spirits are more difficult to deal with has to do with their commitment to their leader. The more committed they are to their leader, the more difficult they are to exorcize or get to repent. When the leader repents, all companions will usually follow their leader into the kingdom just as it happened with the fallen archangel and his companions who were attacking me. It is essential to have a prayer partner with the gift of discernment to know what is happening during the exorcism.

June 22, 2011

The lady friend who was prayed for on May 28 began to have attacks of migraine headaches again. Jeff and I took authority over the spirit that causing the headaches. Jeff saw the lady with her hands on her head. We asked St. Michael the Archangel to pour Holy Water on the spirit and commanded the spirit to repent and go into the kingdom. **Boom, just as the spirit went into the kingdom, the lady was seen taking her hands off of her head.** As of July 17, 2011, she has not had any more migraine headaches. Jeff and I prayed for her grandparents and great-grandparents on both her mother's and dad's side of the family. Some of her ancestors were in Purgatory. All who were in Purgatory were set free, except for one great-grandmother who was involved in some violence. When a family member is set free from

Purgatory, the curse of the sin is broken. On July 26, the great-grandmother was set free from Purgatory.

I have been involved with many exorcisms which have not been mentioned or recorded. **Indigestion** – I had been having some problems with indigestion the last few years. On July 23, 2011 I had a severe case of indigestion all through the night and was not able to sleep. I consumed Tums all night long with no relief. The next day, the moment I sensed a taste of indigestion, I asked St. Michael the Archangel to pour Holy Water on the spirit. The indigestion stopped immediately. The following day the same thing happened. On July 26, I asked Jeff to pray with me. I commanded the spirit of indigestion to repent, accept Jesus as its Lord and Savior and go into the kingdom. After a little resistance the spirit repented and went into the kingdom.

August 13, 2011

Jeff, David and I prayed the unbound prayer for a young man with many deep spiritual problems.

For three weeks David, my wife and I with others had been praying and fasting for this person. Before we got together to pray, I, personally, had bound all the spirits and told them that they were going to repent and go into the kingdom. The young man repented and renounced all of his spiritual faults and problems and was given the Father's blessing. After David and the young man left, Jeff and I commanded the spirits to repent, accept Jesus as their Lord and Savior and go into the kingdom. "Is not my Word like a mighty hammer and like fire which crush the rock to pieces? Send forth My Word and crush the rock of their hearts." **Jeff had a vision of all the spirits sitting on the floor and huddled together in the middle of the room. St. Michael the Archangel swooped them all up into his arms and took them into the kingdom.**

August 16, 2011

Jimmy was experiencing some anxiety. Jeff and I commanded the spirit of anxiety to repent and go into the kingdom. The spirit went into the kingdom. A couple of weeks later, Jimmy was doing great. We also prayed for a woman who became addicted to a drug for pain in her back. We commanded the spirit of addiction to repent and go into the kingdom. We asked the Lord to heal her back

Years ago, a friend hired a babysitter from an agency. An older girl told her mother that the woman was mean to the baby (Jane). The mother told the agency not to use that woman again. The woman was very upset with the mother and made threatening words. The baby, now a grown woman has all kinds of medical problems. While in prayer, words came to the mother that this woman may have put a curse on the baby. She and her husband asked Jeff and I to pray for the daughter. I was on four-day water-only fast as we began to pray: Jeff saw a picture of a woman dressed as a witch. We prayed for a long time commanding the witchcraft spirit to repent, accept Jesus and go into the kingdom of Heaven. We also dealt with the spirits of fear and anger. They refused to repent. I kept commanding the spirits to repent. Finally, Jeff heard the Lord say, "I want these spirits to suffer." I asked the Lord to send them to the pits of Hell. Jeff had a sense of peace when we were through praying. We do not know where the spirits went. The Lord asked me to fast for three more days for a total of seven days. The following week, Jeff received understanding that the witchcraft spirit repented and went into the kingdom. He also received understanding that the spirits of fear, suicide and destruction would leave one at a time as the mother and father read the "Unbound" book by Neil Lozano.

Prayers for Jane- Below is an e-mail from Jane's father.

Tuesday, November 01, 2011 11:08 AM

To: Mike Miesch

Subject: Jane

Mike

Please pray for Jane. She is being bombarded by words. She was up most of the night shouting, "Go away, No, No". We think there is still a spirit of self-destruction for she has virtually destroyed the door to her bedroom by pounding it with her head.

She had 6-7 good days and then this one started very poorly with her finally running away from home while we were at Mass. Happily, she couldn't get her car out from a tight parking place out front, so she took the Dart bus to wherever. As I was writing this, she just called, and Jean is off to pick her up and bring her home. We still need much prayer.

Thanks, Tom & Jean

January 31, 2012.

Jeff and I prayed asking the Lord about Jane. Jeff saw a vine like a bean stalk shooting high into the heaven. Jesus is the vine. Jeff received understanding that we needed to deal with **self-abuse spirit**. After much praying the spirit repented and went wildly in a white automobile upward into the kingdom.

Spirit of anger. It refused to repent and went quickly straight to the pit of Hell. I commanded this spirit to come back and repent and go into the kingdom. This spirit was a lizard. After much praying and resistance, the lizard turned over on its back very stiffly. As we continued to pray, the lizard relaxed, repented and went into the kingdom of Heaven.

Spirit of violence – this spirit threw up his hands and said, "Don't come after me Jesus, don't come after me, but I cannot resist and went into the kingdom.

Spirit of rage – a snake. As we prayed the snake was split from the head to end of its tail into two parts. A spirit divided against itself cannot live; it went into the kingdom.

Spirit of Witchcraft – This is a tough one. Jeff received understanding that he and I were to fast one day this coming Friday. Jeff talked with Jack, a leader in our prayer community. Jack does not believe that evil spirits can repent and go into the kingdom. Jack asked us to back off, as he wanted to talk with Jane's father and mother about their daughter. Nevertheless, Jeff and I did not do the fast that the Lord asked us to do. We had prayed previously for a **witchcraft spirit**. There could have been more than one witchcraft spirit involved.

Note: Some background: The Lord showed me a picture of a man whom I did not know, who was in Purgatory, and asked me to pray for him. When I asked the man to repent, he refused to do so. I asked the Lord if He was asking me to pray for this person everyday. He said, "No, I want you to pray now." **"Is not My Word like a mighty hammer that crush the rock to pieces. Send forth my Word and crush the rock of his heart (pride)."** When I quoted these words, the man repented and went immediately into the kingdom of Heaven.

Jeremiah 23:29: Is not My word like fire says the Lord, and like a hammer that breaks in pieces the rock? (4)

"Is not My word like fire?" declares the Lord, "and like a hammer which shatters a rock?" (3)

Someone felt that I was forcing the man to repent against his will. The Lord said, **"No, My Word convicts them, and they repent on their own."** This is also true for evil spirits. Dealing with evil spirits involves prayer, fasting, and receiving Communion. I use a prayer partner who has the gift of discernment and ability to see the actions of evil spirits when we are

praying. I ask St. Michael the Archangel and St. Rachael the Archangel to pour a fire hose of continuous Holy Water on the evil spirits and to whip them with the Sword – the Word of God. Holy Water really torments evil spirits. I quote the words mentioned above, pray in tongues, receive Spiritual Communion, ask the evil spirits to repent go into the kingdom. God's Word convicts them, and they repent on their own and go into the kingdom.

March 31, 2012 - **Tom was my prayer partner.**

Tom and I prayed on Wednesday March 28 for Jane. Tom discerned that I needed to go on a three-day water-only fast. I fasted Wednesday, Thursday, Friday and broke my fast Saturday morning after Mass. The enemy really attacked me on this fast.

I commanded the **occult spirit** to tell us how many spirits were in Jane. We received understanding that there were seven spirits. The **occult spirit** was a tough one. As we commanded this spirit to repent, he took off running. Tom said he is gone. I commanded the spirit to come back. Since the **occult spirit** had to obey me and could not leave, I started tormenting him by asking St. Michael and St. Raphael the Archangels to pour a fire hose of Holy Water on him and to whip him with the Sword (Word of God), commanding him to repent and accept Jesus as his Lord and Savior. I quoted the words "Is not My Word like a mighty hammer and like fire that breaks the rock to pieces, send forth My Word and crushed the rock of it's heart." **He immediately started begging for mercy, over and over.** I told him to repent and accept Jesus as his Lord and Savior. **Finally, he began saying over and over, "I cannot repent. I cannot repent."** Eventually, he ended prostrate on floor with his arms outstretched asking Jesus to forgive him. Jesus forgave him and he went into the kingdom.

The second spirit was **confusion.**

The third spirit was **fear.**

The fourth spirit was **rebellion.**

The fifth spirit was **accuser.** The **accuser spirit** accused Jane of things she was not guilty.

The sixth spirit was **pride.**

The seventh spirit was **arrogance.** This **arrogance spirit** and the **occult (witchcraft) spirit** were the two most difficult spirits to deal with. They put up much resistance before falling prostrate on the floor, repenting and going into the kingdom. I kept commanding the **arrogance spirit** to tell us if he was in the kingdom. Finally, he said, "I am at peace" meaning, he was in the kingdom. I had a vision of the **arrogance spirit.** He was an ugly and very mean-looking demon.

All of the spirits fell prostrate on the floor with outstretched arms, repented and went into the kingdom.

I asked Tom about the woman who put the curse on Jane when she was a baby. Was she alive? Tom said, "No, but he did not see her in Heaven or Purgatory." I said, "She must be wandering the earth." **I commanded her wherever she was, to repent and go into the kingdom. She went quickly into the kingdom. I did this to break any bondage that the woman may have had on Jane.**

Tom and I asked the Holy Spirit to fill the void in Jane, and to put a hedge of fire of protection around her.

April 21, 2012

Four months later, it was reported that Jane was not doing much better.

Tom and I prayed for Jane. Tom received understanding that the exorcism we did before Easter was very effective, and that we needed to ask the Lord to put a hedge of protection around Jane. We did not need to deal with any spirits at this time. Tom received the following message.

Be at peace. I am working a special work. I have heard your prayers and the prayers of all for this child. She is Mine. Satan will never have her. Through her I will show My power and My love.

Pray in peace for her. Do not stop. I am in this, and in My time I will show My purpose. She is My instrument. Satan has no hold on her.

Prayed for Tom's family

Tom and I did some exorcisms. His daughter's son is very allergic to milk and everything. I told Tom that is a spirit. I commanded the spirit to identify itself. It was a **spirit of resentment** due to a grandfather on the father's side who was in Purgatory. We repented for the **sin of resentment** and got the grandfather set free from Purgatory, which broke the bondage of the curse that was passed to the grandson. We commanded the spirit in the grandson to repent and go into the kingdom, which it did. Tom's wife has an acid reflux problem. When we prayed for her, we received understanding that it was a spirit which also repented and went into the kingdom.

September 6, 2012

Tom informed me that his grandson was set free and is no longer allergic. His wife has medication that solves the problem of indigestion.

December 6, 2011

Nell is a 14 years old girl. She has **severe warts, which are growing and deforming her fingers.** We prayed about Nell's fingers today. This is a summary.

The tips of Nell's fingers are becoming deformed. The doctor is trying to treat the fingers by painful injections which have had little effects. **The tips of her fingers keep getting bigger and more deformed.** While praying, we received understanding that the **spirit of pride** was responsible for the attack on Nell's fingers. We repented for the sin of pride. When we commanded the spirit to repent and accept Jesus and go into the kingdom, **Jeff saw a picture of a toad frog and Barry saw a picture of a horned toad.** As we prayed and commanded the **spirit of pride** to repent, the toad shed its skin, turned white, trying to deceive us into believing it had repented. I knew what was going on. We kept after the spirit until it repented, accepted Jesus, and went into the kingdom.

Dear Parents of Nell:

The virus in the fingers is directly related to Nell not acknowledging her sins. Jesus healed people by casting out spirits. Sin opens the door for spirits to get in. **The sin that five people discerned was a spirit of pride.**

The Lord wants you to approach this as a teachable moment. He wants **Nell to realize the seriousness of her sins and to repent and truly turn from them.** The key is in the way you, Mom and Dad, deal with Nell. The Lord wants to give you a new approach in dealing with her. This is the big thing or key. You are not to use condemnation like saying, "She never does anything right or Miss Perfect". Turn to the Holy Spirit to teach you how to deal with each situation. The Lord is revealing to Nell the seriousness of sin. Sins open the door for spirits to get in and attack.

If you have blessed oil, anoint her fingers and pray with her.

On March 14, 2012 the fingers are almost healed. April 28, 2012 – fingers are completely healed. As of October 1, 2016 Nell, has not had any more problems.

Betsy's eye problem

Betsy has a serious eye problem where after surgery she had to lie on her stomach face down for two weeks. Five of us were praying. Barry received understanding that the **spirit of sloth** was attacking Betsy. Barry saw a **rope-like snake**. We repented for the **sin of sloth** and started commanding the spirit to repent, accept Jesus as his Lord and Savior and go into the kingdom. **The snake eventually shed its skin and turned white, trying to deceive us into believing that it had repented.** I told the prayer partners that a white snake is still a snake. As we continued to pray, **Barry saw the snake turn into an angel with wings and ascended into heaven.** We asked St. Raphael the Archangel to come down from Heaven with God's healing grace and heal Betsy's eye. **Barry saw St. Raphael put healing balm on Betsy's eye.** Healing does not always occur when we cast out spirits. The Lord also uses doctors to complete a healing. Betsy had surgery and is completely healed.

October 16, 2012

My prayer partner, Jeff, said he has **experienced strong attacks of doubt and also an attack by another spirit.** I said, "Jeff, are you willing to command these spirits to repent and go into the kingdom? If we just cast it out, they will make many attempts to come back in. If the spirits repent and go into the kingdom, they will not bother you again." When Jeff said, "Yes," I had a strong anointing and witness of the Holy Spirit. The **spirit of doubt** put up some resistance. As we continued to pray, Jeff began to hesitate and said, "Let's deal with the other spirit. I said, "No, let's continue to deal with the **spirit of doubt.**" Jeff finally saw the spirit repent and go into the kingdom. Jeff felt a burden lifted from his body and said, "**I have been set free.**" The other spirit quickly repented and went into the kingdom.

November 2, 2013 Prostate cancer. I went the doctor in April for a checkup. It was found that I had a PSA of 25. Two more PSAs were 24 and 25. A biopsy was positive for prostate cancer. When cancer is involved, it is usually due to sin. I had what I felt was mild resentment. Nevertheless, resentment is a sin. I went to Confession and repented for my resentment.

When my mother came down with shingles in 1973, I started fasting, seeking the Lord if I could get the victory for my mother through prayer and fasting. On the 6th day of the fast I had a picture of myself laying hands on someone and a voice said, "**Prayer without fasting has no authority.**" I knew the Lord was telling me to keep fasting. On the 15th day of water-only fast, my mother no longer had shingles.

Ann and I went on **three-day water only fast two different times for a total of 12 days.** Afterward Ann and I both had faith that the cancer was no longer there. I went to my personal physician and asked for another PSA. He asked why? I told him that after the fast we had faith and belief that the cancer was no longer there. If the cancer is no longer there the PSA should drop. He said if the PSA drops, he will start fasting tomorrow. Read the doctor's e-mail below. **The PSA dropped from 25 to 1.25. A PSA of 1.25 indicated that cancer is no longer there.**

From: Terrence Feehery, DO [<mailto:tfeeherly@healthcareassociates.com>]

Sent: Friday, November 01, 2013 11:43 AM

It looks like you were right. The PSA has come down to 1.25. What an amazing change. Do you want to keep monitoring this? I don't think we should check it again.

Terrence Feehery, DO - Healthcare Associates of Irving

October 5, 2013 After Ann and I completed our fast, Jeff and I commanded the **spirit of cancer** to repent and to go into the kingdom. **The spirit came out as a huge alligator.** As we commanded the spirit to repent, it turned into a lamb. Jesus picked up the lamb, put the lamb on His shoulder, and took the lamb (spirit) into the kingdom. Fallen angels are also lost sheep the Lord will save, if they repent.

January 2016 Note: Two years later my PSA was 10. Two and half years later my PSA had jumped to 18.75. In January 2016, my urologist recommended a bone and CAT scan to test for cancer. The bone and CAT scans did not show any evidence of cancer. He said, "You have a lot of arthritis up and down your spine." When I had surgery on my right rotator-cuff in 2002, Dr. Sword said, "You have arthritis in your rotator-cuff. I had a grain like feeling in my left rotator-cuff. My prayer partner prayed with me. I commanded the **spirit of arthritis** to identify itself. My prayer partner received understanding that this was a **spirit of unbelief**. I do not know what the unbelief was about or when it got in. I repented for the **spirit of unbelief and commanded the spirit to repent and go into the kingdom**. I was immediately set free. I no longer had grain-like feeling in my left rotator-cuff. I do not have arthritis in my back. What my urologist sees is evidence where the arthritis used to be in the past.

January 2017

Another MRI a year later showed no evidence of cancer. The PSA was 4.6

My brother's PSAs has always been in the high teens and twenties. My brother has had 9 or 10 biopsies – all negative. My PSAs have always been high. The urologist said the reason that my brother PSAs were high is due to a very large prostate. I have been told that my prostate is also very large. High PSA does not mean there is cancer.

December 3, 2013

Cystic fibrosis

A friend asked me to pray for a young lady whose grandson is engaged to marry. She and two of her siblings have **cystic fibrosis**. My friend explained to me that cystic fibrosis is due to recessive genes that are present in both mother and father. When only one parent has the recessive gene, the disease cannot be passed to the children. This means that a curse was passed down to the young lady from her ancestors. Jeff and I received understanding that this was a generational curse due to sins of an ancestor a number of generations back on the father's side. **This ancestor was in Purgatory**. We did the unbound prayer asking the person to repent, renounce the sin, and receive the father's blessing. The person was immediately set free from Purgatory. This breaks the bondage of the curse that had been passed down a number of generations. On the mother's side of the family there **was an old lady bent over in Purgatory**. She had cystic fibrosis. When we repented for her sins, she straightened up and went into the kingdom. We did the Father's blessing on the young girl and her siblings setting them free from the curse of cystic fibrosis. We commanded the spirit of cystic fibrosis to repent and go into the kingdom. The family is praying for the healing to be manifested.

Note: October 7, 2016 The young lady with cystic fibrosis was told that she would not be able to have children. She has just given birth to a healthy, beautiful baby boy.

December 3, 2013

A man is experiencing problems with being bipolar. We asked the Lord what the source of the spirit was causing this bipolar. We received understanding that it came from his mother who had experienced a **deep shame in her life**. We used the unbound prayer for the mother. We

quoted the Scripture that there is no condemnation for those in Christ Jesus. We asked her to repent for allowing this shame to come in. We asked her to renounce the sin telling the spirit to leave. We prayed the Father's blessing on the mother breaking the bondage of the sin of bipolar. We commanded the **spirit of bipolar** to repent and to go into the kingdom. The spirit shot upward quickly. We are praying for the healing to be manifested.

June 7, 2016

A young woman was being tormented by a deceased grandmother who was dwelling within her.

A close friend was greatly concerned about his daughter. The daughter has had problems at work. She has no social life, and she does not communicate with her dad. She is 26 and lives at home with her parents. A number of her friends have called her parents expressing great concern for their daughter. One doctor said she has schizophrenia. Another doctor said something else. Her father agreed to let my prayer partner and I pray for her. I asked the Lord for what He wanted us to pray for.

My prayer partner received understanding that there was a **spirit of anger**. I quoted the Scripture 1 John 5:16 "If you see a brother or sister commit a sin which is not unto death, you shall pray and his or her sins will be forgiven." We started praying in tongues commanding the **spirit of anger** and all its seeds to repent and accept Jesus as her Lord and savior. "Is not my Word like a mighty hammer that crushes the rock to pieces, like fire that penetrates to the depth of the bone and marrow and to the dividing of the soul and spirit?" God's Word does not come back void. The **spirit of anger eventually repented and went into the kingdom**. We commanded all of its seeds to repent. There were numerous small black objects floating in the air, which all turned white and went into the kingdom.

The Lord said to deal with the **spirit of confusion and the spirit of fear**. These two spirits repented and went into the kingdom with all of their seeds.

Spirit of pride and arrogance. My prayer partner had a picture of a **lion full of pride** as he is the king of the animals. There was another **spirit of arrogance** riding on the back of the lion. After we dealt with the **spirit of pride, a person in black appeared**. My prayer partner asked the Lord if this was **an angelic spirit**. **The Lord said, "No!" I knew this was a deceased human spirit in the young woman.** I read of an exorcism of a twenty-something year old woman in which they found that she was being tormented by a deceased relative that was dwelling within her. I recalled that this exorcism took place in the U.S. somewhere in the mid-west in Kansas or Missouri in 1920s or 1930s. I do not have a reference.

Human spirits often wander the earth haunting people or places rather than go to Purgatory or Hell. We commanded this **deceased human spirit** to repent, accept Jesus as his Lord and Savior and to go into the kingdom of Heaven. My prayer partner received understanding that this deceased human spirit went into the kingdom. **The father of the young woman believes that this deceased human spirit may be his daughter grandmother's (her mother's mother) who was said to be a very prideful, arrogant and obnoxious woman.** She would not let her husband's family and friends come to his funeral. The grandmother was not in the kingdom when we first started praying, but she is in the kingdom now.

On September 6, 2016, two months later, the father said his daughter was doing great. She has moved into an apartment, is working and is taking college courses in the evening. **The young daughter was being tormented by this deceased human spirit which we assume was her grandmother.** She has been set free.

Father Jose Antonio Fortea, an exorcist, in his book "Interview with an exorcist" **tells of deceased human spirits dwelling in living people.** (7)

September 6, 2016

Man with pancreatic cancer.

We prayed for a man with pancreatic cancer whom my prayer partner and I do not know and have not met. My prayer partner and I commanded the spirit or spirits causing cancer to identify itself or themselves. Spirits identify themselves by naming the sins that were committed. My prayer partner received understanding that the pancreatic cancer was due to the unrepented sins of his great-grandfather and great-grandmother on his mother's mother side of the family, who are in Purgatory. The great-grandfather's sins were homosexuality and over-indulgence. (No one knows who this man is and this information has not been shared with him or his family. I am sharing this information to show that the sins of the fathers can affect their children to third and fourth generations.) The great-grandfather's sins were repented for and he went into the kingdom. The Lord did not reveal the grandmother's sins. We received understanding to receive communion daily for the great-grandmother for a week. Afterward she went into the kingdom. The sins of the fathers can affect their children to the third and fourth generations. The bondage is broken when the sin is repented for and the person is released from Purgatory.

I understand that doctors are working and treating this young man. He is in the Lord's hands. The Lord has revealed to me that a person must have faith to be healed. This is the way it has been from the beginning.

Praying for deceased people

The Lord has given my prayer partners and me the gift of praying for deceased people to discern if they are in Heaven or Purgatory. The Scripture speaks of the curses or sins of parents affecting their descendants to the third and fourth generations. Each person has a mother and father, four grandparents and eight great grandparents. If family members are in Purgatory, their sins can affect their descendants to third and fourth generations. We need to pray for our deceased parents, grandparents and great-grandparents as they may be suffering in Purgatory. If they are in Purgatory, they need our help in getting them out of Purgatory. In praying for people in Purgatory, the Lord often tells me to receive Communion or to have several Masses said to have them released from Purgatory.

As Scripture says, a sin or curse can affect the descendants to the third and fourth generation. A person is a descendant of 14 people: his parents, grandparents and great-grandparents. If any of his parents, grandparents or great-grandparents are in Purgatory; their sins can pass a curse on to their descendants.

Father	Mother
Father's father	Mother's father
Father's mother	Mothers mother
Father's father's father	Mother's father's father
Father's father's mother	Mother's father's mother
Father's mother's father	Mother's mother's father
Father's mother's mother	Mother's mother's mother

An interesting anecdote

A priest's friend said that he was not sure if all of his ancestors were in the kingdom of Heaven as there was a divorce with one of his great-grandparents. My prayer partner and I prayed for all 14 of his ancestors. Half of them were in Purgatory. He was greatly concerned about his father's father who was neither in Heaven or Purgatory. He had not left the earth. He said, "Mike, my grandfather was a very good man, I do not understand why he is not in the

Heaven.” When my prayer partner and I asked the Lord about his grandfather, the Lord said he owned a piece land that he deeply loved. He did not want to leave the earth, as he wanted to hold on to that property. When my prayer partner and I commanded him to turn loose of the property and go into the kingdom, he said, “Oh Lord, the land in Heaven is far more beautiful than the land on earth.” We prayed for all of the priest’s ancestors and they were set free and went into the kingdom of Heaven.

The priest, whose grandfather was a forest ranger, said that he knew the beautiful property that his grandfather wanted to hold on to.

When deceased persons do not leave the earth, they are holding on to something. A deceased spouse often does not want to leave the husband or wife or children.

The Lord gave me a vision of a father that I did not know that had died and had not left the earth. The father was greatly concerned for his young sons and thought that he would never see them again if he left the earth. I had to convince him that the Lord would take care of his sons. He finally went into the kingdom.

There was a priest that I knew personally. He was the head of a deanery. He had not left the earth as he wanted to hold on to a position as the head of a deanery. After praying, the priest went into the kingdom.

Some people have revenge in their hearts and want to haunt, torment and hurt those that had hurt them.

There is a book by Dr. Kenneth McAll, “*Healing the Haunted*”, Queenship Publishing Company, P.O. Box 220, Goleta, CA 93116, which is about people roaming the earth haunting people and places where they used to live or places where they had been mistreated. Dr. McAll explained that having a Mass or prayers said will set these people free.

Face of a child in the palm of his hand

A co-worker had a vision of a face of a child on the palm of his hand. It was discerned that this child had been aborted and was in tremendous pain. I asked the Lord what He wanted us to do. He said, “I want you to baptize this child.” The family admitted that there had been an abortion in the family. We baptized the child.

Young girl appearing in the woman’s bedroom at night.

There was a young girl appearing in bedroom at night and would often sit on the edge of the bed. When my prayer partner and I prayed for an understanding, it was discerned that the young girl had been aborted. The woman admitted that she had helped her daughter get an abortion. We told the woman that she and her daughter had to go to Confession. We asked St. Michael the Archangel to pour water on the child’s head as we said the words: “We baptize this little girl in the name of the Father, Son and Holy Spirit.” Afterward, the little girl did not appear in the room again.

Glaucoma

We commanded the spirit of Glaucoma to identify itself. It was a curse from the grandfather’s being lukewarm. The spirit repented and went into the kingdom.

Maxine had a tumor in her brain.

I commanded the spirit or spirits causing this tumor to identify itself or themselves. It was a **spirit of low self esteem** and a **spirit of lack of self confidence** that came from her aunt. This puzzles me as spirits are usually passed from parents, grandparents and great-grandparents. A week later my prayer partner and I prayed for some understanding. The aunt

was a much older sibling while Maxine's father was a much younger brother. The aunt had a **domineering spirit** and was constantly putting Maxine's father down, destroying his self confidence, causing him to have a low self-esteem. At this time the aunt had passed on and was in Purgatory. When we repented of the aunt's sin, a hand reached down and pulled her out of the flames of fire and took her into heaven. The **spirits of low self-esteem and lack of self-confident** were passed from Maxine's father to Maxine. We commanded the **spirits of low self-esteem and lack of self-confident** to repent, accept Jesus as their Lord and Savior and to go into the kingdom. We are now praying for the tumor to disappear and for Maxine to be healed.

Alzheimer's

My prayer partner and I prayed for a person with Alzheimer's. We commanded the spirit that was attacking him to identify itself. We received understanding that this was a **spirit of lukewarmness** that was passed on from his grandfather, who was in Purgatory. The Lord said, "I rather you are hot or cold, for if you are lukewarm, I will spew you out of my mouth."

Revelation 3:16 So because you are lukewarm, and neither hot or cold, I will spit you out of My mouth. (3)

We repented for the grandfather's sin and commanded the **spirit of lukewarmness** to repent and to go into the kingdom. The grandfather was set free from Purgatory. We are praying for this person's healing. This Alzheimer's was a curse from the sins of his grandfather.

In the early 1990's, I had a vision of a man that I did not know. The Lord revealed that this man had **Alzheimer's and wanted me to pray for him**. I commanded the spirits that were attacking him to identify themselves. It was the spirit of **self pity and bitterness**. I quoted the Scripture 1 John 5:16 to repent for his sins. After I repented for his sins, my prayer partner saw the man weeping and then lifting his hands praising God. The man was healed. This Alzheimer's was caused by his personal sins, while Alzheimer's above was caused by the sins of an ancestor.

Revelation 3:16 So because you are lukewarm, and neither hot or cold, I will spit you out of My mouth. (3)

Helen's severe case of diabetes - Commanded the spirit of diabetes to identify itself. It was the sin of pride that came of her grandfather. We asked the Lord if the grandfather was in Heaven or Purgatory. He is in Heaven, but there is a residue remaining, meaning the sin has not been repented of. Helen's father admitted that he has a spirit of pride. We repented for both the father and grandfather sin of pride. When we commanded the spirit of pride to repent and go into the kingdom, white birds flew into heaven.

We continued to pray commanding the spirit of diabetes and all its seeds to repent and to go into the kingdom. My prayer partner had a vision of Jesus holding Helen in his arms. I said that we have to continue to pray, commanding the spirit of diabetes and all its seeds to repent and go into the kingdom. Suddenly there was a vision of a dozen white birds flying into the heaven indicating that the spirit of diabetes and all its seeds went into the kingdom.

Patsy had a spirit of rebelling, selfishness, and was unwilling to share her family with her in-laws. We commanded the **spirit of rebellion** to identify itself. The **spirit of rebellion** came from her great-grandfather who was in Purgatory. He was set free from Purgatory after we repented for the sin of rebelling. This curse had affected the great-granddaughter. The grandmother on her father's side of the family had a **spirit of covertness**. My prayer partner

received understanding that we were to fast on one meal a day for three days for the grandmother, who was set free from Purgatory after the three-day fast.

April 25, 2017

Young woman with stomach problems. The doctor suspected cysts on her ovaries. My prayer partner received understanding that a **spirit of infirmity** and a **spirit of fear** caused the problem. No sin involved. Jeff also got poor self image and lack of confidence. We needed to receive communion three times for the young lady. Afterward a sonogram confirmed that no cysts were present.

Gabriele Amorth, an exorcist reported that cysts often disappeared after he laid his priestly stole on a woman's stomach. (8)

April 25, 2017

Prayed about Lucy's migraine headache. It is a homosexual spirit from Lucy's mom. Jeff immediately received understanding that this homosexual spirit goes way, way back on Lucy's mom's father's side of the family. Jeff had a vision of a tight rubber band on Lucy's head. When we came against the homosexual spirit, the band popped off and completely disintegrated. We have not been able to get this homosexual spirit to repent and go into the kingdom. Much prayer is needed. This same spirit is attacking Lucy's daughter Kay. This homosexual spirit was passed down from Lucy's great, great-grandfather who is in Purgatory.

We asked the Lord about **Lucy's mom**. Jeff saw her in a field of roses picking roses indicating she was in heaven. Lucy's mom was a lesbian and an atheist, who was killed several years ago by a train at a railroad crossing. It took four months of praying to get her free from purgatory. I asked Lucy's mom if she had anything to say to her children. She told her children to stay close to the Lord, for He is real.

We prayed for all 13 Lucy's ancestors. Her father is still living.

Lucy's mom's father –in Heaven. He is praying for his ancestors to come into the kingdom.

Lucy's mom's mother - did not get anything.

Lucy's mom's father's father - Purgatory.

Lucy's mom's father's mother - Heaven

Lucy's mom's mother's father - not in heaven or Purgatory – wandering the earth.

Lucy's mom's mother's mother - Heaven – wearing a beautiful white dress.

Lucy's mom's father's father's father - Purgatory – sin of homosexuality.

Lucy's dad's father – Heaven - Jeff received understanding that a homosexual spirit greatly tempted him but he resisted.

Lucy's dad's mother was a prayer warrior. Her harvest is great.

Lucy's dad's father's father - Heaven. A lot of strife in the family as he was involved with another woman.

Lucy's dad's father's mother –Heaven - a lot of strife in the family because of another woman.

Lucy's dad's mother's father – Purgatory - strife in marriage

Lucy's dad's mother's mother – Purgatory

May 10, 2017

Family in Purgatory or in need of prayers

All of Lucy's ancestors went into the kingdom of Heaven except one Great-Grandfather who is wandering the earth.

Lucy's mom's mother's father – not in Heaven or Purgatory – wandering the earth. **Great Grandfather - Greed** - love and desire for money - after commanding him to repent, he let go some of the money but not all. He is still wandering the earth. The Lord told him that he should have turned to Him instead the things of the world.

August 8, 2017

Prayed a number of times for Lucy's mom's mother's father. He would not repent. Finally, I received Spiritual Communion three times by opening my mouth three times. Prayer partner immediately got the spirit of fear. He was fearful of what was to come. I repented for the spirit of fear and called forth a spirit peace. He immediately went into the kingdom.

Lucy's mom's father's father's father – sin of homosexuality. **Great, Great Grandfather** - The spirit of homosexuality repented and went into the kingdom. He was involved in illegal business dealings– something about a horse. My prayer partner saw him wearing a sweater with skull and cross bones. The Lord pulled the sweater off and put a white robe on him and took him into the kingdom.

We commanded the homosexual spirits that was attacking Lucy and Kay to repent and go into the kingdom. Jeff saw a rubber band on Lucy's head which broke and completely disintegrated. The homosexual spirits went into the kingdom.

Woman with back problems

The back problem was caused by a spirit of self-pity, which came from her grandfather, who had multiple sclerosis. The grandfather was released from Purgatory. The spirit of self-pity repented and went into the kingdom.

Prayed for a man addicted to smoking and drugs,

There was a vision of the man lungs filled with black tar. When we came against the spirit of tar, the man lungs turned completely white. The spirits of tar and drugs repented and went into the kingdom.

September 10, 2017

Middle aged woman had a rapid 222 heart beats per minute. Normal heartbeat is 60 to 90 beats per minute.

The lady went to the hospital where they stabilized her heart. My prayer partner and I prayed and commanded the spirits that were attacking the woman to identify themselves. It was a spirit of pride and a materialistic spirit. We prayed and prayed receiving Spiritual Communion a number of times. The spirits continually refused to repent. The Lord told us that the woman had been set free. The Lord said to bind the spirits and send them to the pit. I said, "I am going to pray one more time". I told the spirits that they were facing eternity in flames. Suddenly the spirits were being baptized in the Jordan River. **This is the first time we have encountered evil spirits being baptized.** Afterwards the Lord took them into the kingdom.

Baby boy born with constriction of artery and air tube to the lung.

The baby turned blue two times and was revived with mouth to mouth resuscitation. Surgery was performed to open the air passage and the artery. The boy is now five-year-old but still has constriction and problems. My prayer partner and I commanded the spirit causing the problem to identify itself. It was a spirit of anger that came from a great-aunt. The aunt

was in Purgatory. The aunt was set free from Purgatory. The **spirit anger** refused to repent and put out a lot of resistance. We prayed in tongues, receiving Spiritual Communion, quoting the words “Is not my Word like a mighty hammer that crush the rock to pieces, send forth my Word and crush the rock of its heart,” etc. over and over. The spirit finally repented and went into the kingdom.

It seemed as if we are forcing the spirit to repent. **The Lord said, “No!” As long as we continue to pray, the Lord said, “His Word convicts them and they repent on their own.”** Sins of the ancestors can affect the descendants to the third and fourth generation.

Allergic to certain foods such as gluten

My prayer partner and I prayed for a person that was allergic to gluten. We commanded the spirit of gluten to identify itself. We received understanding that this allergic spirit came in through the spirit of fear. A fearful experience will open the door for other spirits to come in. We commanded the **spirits of fear and gluten** to repent, accept Jesus as Lord and Savior, and go into the kingdom.

Priest friend – Skin Cancer

My prayer partner and I prayed a number of times for a priest plagued with skin cancer. There were numerous surgeries on both sides of his face, his back, shoulders, etc. The Lord revealed that there no sin involved. The Lord was allowing this suffering to make reparation for another person’s sins. Finally, I said, “Enough is enough”, I commanded the spirit of cancer to repent and go into the kingdom. Suddenly the spirit was in a white robe and ascended to heaven. The priest did not know for whose sins the Lord was allowing him to make reparation.

Pinched nerve in the neck and in the back.

My wife had a pinched nerve in her neck and in her back. My prayer partner and I commanded the spirit to identify itself. It was a spirit of infirmity. We commanded the spirit of infirmity to repent and go into the kingdom. The spirit turned white and ascended to heaven. My wife was immediately set free – no more pain.

Foul dead animal odor

On Sunday when we came home from church - one week before a marriage conference and two weeks before a Catholic charismatic conference, there was a foul dead animal smell in the house. There was no odor in the house when we left for church. When there is a dead rodent in the attic you will have blowflies within a day or two. On Wednesday four days later, there were no blowflies. I knew this was a satanic attack as Satan was upset that I would be passing out my books “Seven Vital Truths to God’s Children” at both conferences. Wednesday afternoon my prayer partner and I prayed the St. Michael the Archangel prayer. The odor was gone for a day and a half. The strong odor came back on Friday. I did not get a chance to pray with my prayer partner until the charismatic conference a week later. We commanded the evil spirit to repent and go into the kingdom. The spirit was in a white robe and went into the kingdom. The odor was gone. Oftentimes, when an exorcist cast out an evil spirit, they leave a foul odor as they leave.

Daughter with cancer

A friend sent me an e-mail asking for prayer for his grown daughter suffering with cancer. They were going to try one more round of chemotherapy to see if it would help. When my prayer partner and I started to pray, there was a vision of the daughter with heavy chains around her body. We commanded the spirit of cancer to identify itself. We received understanding that it was a spirit of bitterness against her mother. I quoted the scripture 1 John 5:16, “If you see a brother or a sister who has committed a sin which is not unto death, you shall pray and it shall

be forgiven them". We commanded the spirit of bitterness to repent and to go into the kingdom. The spirit went into the kingdom. The heavy chains immediately fell off and completely disintegrated. The daughter was suddenly surrounded by a bright light. The daughter eventually passed away. Faith is essential for healing to take place.

January 22, 2019

Young Angel

I was awake at 3 am four days ago so I prayed the Divine Chaplet. While praying the Divine Chaplet with my eyes closed, I had a vision of a 12 or 13-year-old boy praying the Chaplet with me. When I opened my eyes, I could still see the boy, who faded immediately afterward. My prayer partner received understanding that this boy was a young angel that had been assigned to me and to my guardian angel to be trained for battle in spiritual warfare.

Severe case of Shingles and granddaughter Cerebral Palsy

A woman came down with a severe case of shingles on her face around her eyes and into her brain. Her face was greatly disfigured. She had had a number of plastic surgeries. She has a seven-year-old granddaughter that has cerebral palsy. My prayer partner received understanding that the shingles and cerebral palsy were a curse from the sins of her parents, grandparents and great-grandparents that are in purgatory. **My prayer partner received understanding that I should receive communion for seven days to get her ancestors set free from purgatory.**

Parkinson's disease

A lady friend has Parkinson's disease. My prayer partner received understanding that the disease was caused by her fear, worry, and anxiety.

Parkinson's disease

A good friend and a very successful businessman came down with Parkinson's disease. He has passed on and has been set free from Purgatory. I asked my prayer partner to pray for discernment as to the cause of his affliction. We received understanding that he was a man of the world and that his affliction was caused by his great desire for material things: money, wealth and fame.

A Mongoloid Child

An Asian family, converts to Catholicism, has a mongoloid child. This was a curse passed down from ancestors in purgatory who worshipped Buddha, a false god.

Multiple Sclerosis

Someone we know came down with multiple sclerosis. It was a curse from a great-grandfather who was in Purgatory with great hatred in his heart. We repented for the great-grandfather's sins and he was released from Purgatory. There was no healing, as this person did not know we prayed for him. There was no expectant faith for healing to take place.

Numerous lesions on the brain

Our son asked my wife and me to pray for a 29-year-old woman who had developed numerous lesions on her brain. My prayer partner received understanding that the lesions were caused by her doubts. The Scripture says that those who believe will be saved. Those with unbelief will be cursed.

Rare skin disease

My wife's stepfather had a two-year-old great grandson that had a rare skin disease. We commanded the spirit attacking the child to identify itself. It was a curse from another great-grandfather who was in Purgatory with anger on his heart, because he had been mistreated by some people. The great-grandfather was wearing blue coveralls. When we repented for his sins his blue coveralls turned white, and he went into the kingdom. It took a year of praying for the little boy to be completely healed. This little boy is now a grown man with a family.

Broken tooth

I clamped down on my teeth in my sleep and broke a tooth and damaged another tooth. It was very painful. I had to have the broken tooth extracted and a root canal on another tooth. I said Lord, "Why did you allow this to happen?" The Lord said, "This was allowed so that you may participate and share in my suffering."

Dr. Ernest Laake

In 1986 Dr. Laake was 98 years old. He has had diabetes since he was 89. At this time, he had both toes and then later one leg amputated just below the knee. Ann and I went by to see him after the prayer meeting one Sunday. The nurses had torn his skin on both shoulders, while turning him. There was five-inch circle area of no skin on one shoulder and 8 or 9 inch circle area of no skin on the other shoulder. When I went to visit him, he always wanted me turn him. I could only turn him on one shoulder as the other shoulder was too bad to lie on. Ann was crying when we left as she did not expect him to last through the night. I called my friend and prayer partner, Dr. Dan Morgan, who was in medical school in Mississippi, and commanded the spirit of diabetes to identify itself. It was a spirit of anger. Someone had mistreated Dr. Laake. I repented for the sin of anger by quoting 1 John 5:16. "If you see a brother commit a sin which is not into death, you shall pray, and it will be forgiven him." I commanded the spirit of diabetes to leave. Never again did Dr. Laake ask me to turn him. The sores on his shoulders ended up completely healed. Five months later I asked Dr. Laake if he was still taking insulin for his diabetes. He said, "No, I do not know what happened, the diabetes just went away. Dr. Laake died at the age of 99. I have had two visions of Dr. Laake after death thanking me for the prayers, I said for him. Dr. Laake was the one who got me a job at National Chemsearch, and we worked together for a year and half when he retired at the age of 79.

Severe hearing loss was a curse from my Grandfather who was involved with the occult.

My mother's dad wore an occult pendant, which was a small leather pouch, tied up with something in it. It was fastened around his neck with a leather string. Pat Sailer, Fred and Joan Delin prayed with me in 1974 seeking the cause of my deafness. Pat had a vision of my grandfather who was on a tirade, cussing profusely and using the Lord's name in vain. My mother, who was pregnant with me, placed her hands on her tummy in an effort to protect me saying, "I do not want my child to hear such profanity". An occult spirit entered into me causing a severe hearing loss and tried to take my life, as I was born two and half months premature. I was baptized when I was two days old, as they did not expect me to survive. We lived on a cotton farm with neither electricity nor indoor plumbing. Water was drawn by bucket from a cistern, and there was an outdoor toilet. There was no hospital in our county. I was laid in a shoe box on an open oven door of a wood burning cook stove to keep me warm. My fingers were the size of match stems. I was a year and half before I was able to walk.

In the Old Testament people involved with occult and witchcraft were put to death. The Scriptures strongly condemn those involved in the occults or witchcraft.

Deuteronomy 18:9-14: When you enter the land which the Lord your God gives you, you shall not learn to imitate the detestable things of those nations. There shall not be found among you anyone who makes his son or his daughter pass through the fire, one who uses divination, one who practices witchcraft, or one who interprets omens, or a sorcerer, or one who casts a spell, or a medium or a spiritual or one who calls up the dead. For whoever does these things is detestable to the Lord, and because of these detestable things the Lord your God will drive them out before you. You shall be blameless before the Lord your God. For those nations, which you shall dispossess, listen to those who practice witchcraft and to diviners, but as for you, the Lord your God has not allowed you to do so. (3)

My grandfather passed away in 1959. Twenty-five years later, the Lord gave me the gift of praying for people in Purgatory. I asked the Lord about my grandfather. The Lord said he was in Purgatory and that he would be there to the end. I asked the Lord if I could get him set free through prayer and fasting. My prayer partner received understanding that I could get him set free with a three-day-fast on water. After the fast, my prayer partner received understanding that he had been released from Purgatory. I asked three more prayer partners to pray for a confirmation because he did not go to church and the life he lived. All prayer partners said that my grandfather was set free from Purgatory. God's mercy is beyond human understanding!

The beginning with my dealings with evil spirits:

My Ankles

Around 1983 when I got out of bed, I could not bend my ankles as it felt like the tendons in my ankles would snap. After taking a few steps, my ankles would loosen up, and I was ok for the rest of the day. Within three months my ankles were bothering me all day. I asked Jeff Romero to pray with me. I commanded the evil spirit that was attacking my ankles to identify itself. Jeff said, "Mike, I have never prayed this way before." I said, "Let us pray and see what you get." Jeff said, "It is a spirit of unbelief". I said, "I do not understand. Let's continue to pray." Jeff had a vision of a loaf of bread. He said, "Mike, do you have any concern about taking care of the need of your family?" I said, "No, but I do have concern about my retirement." We have two boys in college, and we have not been able to save any money. Jeff said, "That is it. If the Lord takes care of the birds of the air, the animals and the flowers in the field, how much more does He have concerns for you". I repented for my unbelief and commanded the evil spirit to leave. I was immediately set free. The Lord has truly taken care of us in our retirement.

My anointing is upon you

I tell you my anointing is upon you. I have given you the power of my Spirit for you to use. Go about knowing that my angels are with you. Do not be afraid to cast out demons, pray for the sick, your families, your friends. I will grant you extra ordinary power to do my will. Do not just go to your own but go to my children of other tribes. Your goings and comings will be blessed. Carry with you my sacramentals, holy oil, holy water and blessed salt. Do not fear. Pray and fast as my mother has recommended. You are Mine.

My prayer partner and I have prayed for people with various afflictions without their knowledge. The Lord has allowed my prayer partners and me to deal with evil spirits causing

these afflictions. When the afflictions are caused by sins of ancestors in Purgatory, the Lord allowed my prayer partners and me to repent for their sins and set the ancestors free from Purgatory. This breaks the curse of the sin so the curse cannot be passed on to other descendants. My prayer partners and I were not led to let people know that we were praying for them. When afflictions are due to personal sins, the Lord does not always reveal to me their personal sins, but He will allow me to deal with the evil spirit or spirits causing the afflictions. Nevertheless, no healing can take place without faith.

Those reading this paper on exorcisms need to read Chapter 9 in my book [Seven Vital Truths for God's Children](#) on praying for people in Purgatory.

My experience in Fasting

In February 1970 I asked a friend to pray for my mother, who had been bedridden with pneumonia for three months. He told me to expect a miracle. My friend fasted one day, and my mother healed overnight. He explained to me the value of fasting.

I was on a four-day fast at the end of May 1970, when my friend asked me to go to the hospital with him to pray for a five-year-old boy, who had two massive tumors behind both eyeballs. The boy was in a coma and had been for a week. The doctors said there was no hope. The little boy woke up the next day and played all over the room after we prayed for him. The doctors performed surgery the following Monday and were in complete shocked as the tumors had completely disappeared. The doctors said the little boy would be blind, as the optic nerves disappeared with the tumors. The little boy had 20 – 20 vision and was completely healed of cancer. This made a big impression on me.

Prayer without fasting has no authority. Some healings require fasting.

My mother came down with shingles all over her back. Some people have shingles for months. I started fasting to see if I could get the victory for my mother through prayer and fasting. On the sixth day of my fast on nothing but water, **I had a vision of myself laying hands on someone. A voice said, "Prayer without fasting has no authority."** I knew the Lord was telling me to continue fasting. On the 15th day of water-only fast, my mother was healed of shingles.

In the early 1970s a childhood friend came down with cancer. I went on 12-day water-only fast asking the Lord to heal him. Finally, I said, "Lord, speak to him and tell him he is healed." The Lord did speak to him. He told his wife he was healed. He was not going to die. Yet, he died a day or two later. He did not have the faith or know how to fight the fight of faith to be healed.

No healing can take place unless the person for whom the healing is meant has the faith to receive it.

I asked the Lord if I could fast and get the victory for someone with cancer. The Lord said: "No! No healing can take place unless the person the healing is meant for has the faith to receive it. This is the way it has been from the beginning."

Jesus had to pray twice for a blind man to be healed. Mark 8:22-25

The Lord will sometime allow a family member to fast for a person in the family that cannot fast or does not have the faith to be healed.

My father-in-law was having heart problem. He could not take a shower without having to take nitroglycerin. He was going to the doctor on Monday to see about running a balloon up his artery. I asked the Lord if I could fast and get the victory for my father-in-law. The Lord said: "Yes, with a seven day fast". I called my father-in-law and told him I could get the victory for him by fasting for seven days, but I was not going to start fasting until after Friday, because my birthday was on Friday. I did not want to be fasting on my birthday.

My father-in-law called me after he came back from the doctor on Monday and said the doctor could not find anything wrong with him. I said Lord, "Do you still want me fast?" The Lord said, "Yes, to seal the victory." After I came off the fast, I called my father-in-law to see how he was doing. He said he had been working up a storm. He had cleaned up his yard and hauled off a lot trash.

Three years later, he came down with cancer. He had a grapefruit size tumor in his lung. Even though I did not receive knowledge that I could get the victory, I went on a ten-day fast, drinking only water. The following words were spoken to me after the fast:

My son, my son, you will be rewarded for your fasting, prayers and abundant faith. Stand firm in your desire and faith for the healing that will take place. Inform Ann that during the mist of dark waters, when life seems to vanish before our eyes, I still have the authority and power to heal and bring forth human life with strength that only I can deliver. Know this and believe, for it is I that will receive glory with this healing. Physicians may shun life as one that is lost, but you must know they report what is happening physically. I am the Author of life and the Spirit within. Ann, you must believe and stand firm with your husband for his days are not lost as I am the Lord and Savior that will stand in the gap for any person that believes. **I will call forth the Spirit of healing, and this will come to pass through your faith.**

At the time this prophecy was given to me, **I did not realize the Lord was saying that my wife Ann had to stand in the gap with me for this healing to come to pass. My wife is a woman of great faith, but, for some reason, she did not even attempt to fight this fight of faith.** I did not feel it was necessary, as I thought the victory was won. My father-in-law was very alert, comfortable, peaceful and talking up to a couple hours of his death. I was shocked, as he did not look like a man close to death.

I included the above prophecy to show that the Lord will sometime allow an immediate member of the family to stand in the gap and intercede for a healing, when the person being prayed for cannot fast or does not have the faith to receive it.

In Mark, the disciples were asking Jesus why they could not cast a spirit out of a small boy. Jesus said:

Mark 9:29: And He replied to them, "This kind cannot be driven out by anything but prayer and fasting" (5).

People fasted often in the Old Testament - sometimes for a week or more sometimes in sackcloth and ashes. Daniel the Prophet fasted for 21 days to receive understanding from the Lord.

Cataract

I have been having double visions making it difficult to read. I could see clearly with my left eye, but the right eye was blurred. I had to shut my right eye to be able to focus and read. I thought maybe I needed some new glasses. They told me I had cataracts in my eyes and that I needed cataract surgery. I asked one prayer partner to pray with me for understanding. Could I get the victory over the cataract with prayer and fasting? The answer was yes - 15 days". So, I asked the Lord if I could do five 3-days' fasts on nothing but water for a total of 15 days. The answer was "Yes". I asked a second prayer partner for confirmation. The second prayer said, "Yes". Ann and I both fasted three-days at a time for a total of 15 days on nothing but water.

Our fast was over this past Wednesday (**August 28, 2019**). I can see clearly with my right eye. It is no longer blurred.

The Lord has told me that prayer without fasting has no authority.

Jesus, Moses and Elijah fasted for 40 days. Jesus set the example for us by fasting for 40 days. The disciples of John the Baptist came to Jesus and said, “John and his disciples fasted often. How come you and your disciples do not fast?” Jesus replied that the day was coming when they would fast often.

Severe Storm at Sea: Acts 27:27-44: Two hundred and seventy-six people were on the ship with Paul. Everyone went 14 days without eating. The ship was lost but no lives were lost.

Jonah preached in the city of Nineveh that the Lord was going to destroy the city. The King of Nineveh proclaimed a fast of no food or water for man or animals to repent for their sins. The Lord heard their prayers and did not destroy the city.

Those that claim they cannot fast, I would hate for them to be on the ship with Paul or in the City of Nineveh. I do not know if some people cannot truly fast. If they are having surgery the next day they will have to fast. Sometimes we will get a splitting headache. We just have to grin and bear it. The hardest part of a fast is the first three days.

I have personally fasted two to five days a week every week for 28 years on water or coffee. The Lord kept me on a fast for 15 days to heal my mother of shingles and 28 days for the healing of my mother of cancer.

I fasted 10 days on two different occasions for the Lord to correct and straighten out two of my sons.

I know of a Protestant minister from Idabel, Oklahoma who went on a 40 day-fast three different times.

Why some people’s prayers are answered while others are not.

Almost a year after I had written this chapter on “Faith and the gift of healing,” the Lord woke me up from a deep sleep at 2 am to pray. Later in the day, while praying with a friend, it was revealed that the Lord wanted me to tell why Jesus could not perform miracles with certain afflicted people.

When Christ went to a certain town, He was unable to heal certain afflicted people because of their unbelief. Today, there stands no one even measurable to the stature of Jesus Christ, so there can be no real substitute for lack of faith. With faith, everything is possible. Without faith, nothing is possible, not even to those that are in the body of Christ.

Chapter 4 in my book, “Seven Vital Truths for God’s Children” is full of testimonies with positive results of praying and fasting with faith. Fasting gets the Lord’s attention real fast.

My experience with Spiritual Communion

I have taken Spiritual Communion many times as it is very effective in praying for people in Purgatory and in dealing with evil spirits. Evil spirits that put up a lot of resistance usually repent immediately after you receive Spiritual Communion. You really experience the real power of Spiritual Communion when dealing with evil spirits in exorcism. I simply open my mouth and

ask St. Michael the Archangel to put a host on tongue. Though I do not see or feel the host on my tongue, I accept this in faith.

Spiritual Communion

Our Lord to Sr. Benigna Consolata: "Make as many Spiritual Communions as possible, to supply for the many Sacramental Communions which are not made. One every quarter of an hour is not enough. Make them shorter, but more numerous." (9)

Daily Spiritual Communion Prayer

My Jesus, I believe that You are present in the Most Holy Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there, and I unite myself wholly to You. Never permit me to be separated from You. (9)

Camping trailer, electrical problems and evil spirits

We had taken our 16-foot camping trailer out a number of times with no problems with the trailer lights. We were leaving on a Friday night in the 1970s to go on a vacation. When we hooked the trailer lights to a trailer socket on the car, the lights were all messed up. When the left turn signal was turned on, the brake light came on. When the right turn signal was turned on, the left turn signal light came on. When the brake was pushed, the right turn signal light came on. All the lights on the trailer were functioning incorrectly. The next morning, we took the trailer to a dealership. I attempted to demonstrate what had happened the night before. However, when I turned the right turn signal on, the brake lights came on. This was entirely different from the night before. The trailer people said this could take all day to fix. When the lights performed differently from the night before, I knew this was spiritual attack. We took the trailer home. After reading the prayer of exorcism from the Roman Ritual, all the lights functioned correctly. The trailer lights were working properly on previous trips. There was no reason for the trailer lights to function improperly, if they had functioned correctly before, as we were just connecting two sockets together. This demonstration taught me that evil spirits can get into electrical equipment.

Deep freeze and icemaker in the refrigerator

When our freezer quit working, we called the repairman two times. After repairing the freezer for the second time, it quit working again a week or so later. I asked my wife to turn to the Lord and find out why we could not get the freezer fixed. She lay on the floor before the freezer praying. When our two sons came home from elementary school, they said, "Mommy what are you doing?" She told them she was asking Lord why we have not been able to get the freezer fixed. She asked our boys to pray with her for understanding. The boys said, "Mommy, there is something in this house the Lord wants you to get rid of." She told the boys to go out and play. Ann sat down on the couch in the living room in front of the library. The Lord made known to her the books on the bookshelves that He wanted her to get rid of. My wife filled a large laundry basket full of books. Ann had not read these books. When she finished college, her girlfriend gave her all of these books. These books involved the occult, witchcraft, false religions, and things that were not of the Lord. Ann had merely wanted a pretty library. She bought a few books because the covers were attractive; she had no idea what the books were about. After we destroyed these books, the repairman was able to fix the freezer. The icemaker in the refrigerator had not made ice in over a year. The moment we destroyed the books, the icemaker started working on its own. This shows that evil spirits can manifest themselves in electrical equipment.

Those who practiced magic brought their books together and burned them.

Seven sons of a Jewish chief priest attempted an exorcism in Jesus' name. The evil spirit said he knew Jesus and Paul but who are you? The man with the evil spirit viciously attacked the seven sons, who left the house wounded and naked. Those who practiced magic were frightened and brought all of their books on magic together to be burned.

Acts 19:19: And many of those who practiced magic brought their books together and began burning them in the sight of all; and they counted up the price of them and found it fifty thousand pieces of silver. (1)

Sin opens the door for evil spirits to attack us.

Spirits can enter into a person when a sin is committed. In the early 1970s, I was attending a convention in New Orleans. I purposely avoided Bourbon Street. While I was walking down another street sightseeing, two topless girls opened two swinging doors and stood at the entrance, just as I walked by. Naturally, being curious, I turned around to look. The second I turned around, I received a very hard impact against my face and chest, which went through my nostrils down into my lungs with a heavy thump, momentarily, taking my breath away. The impact was like a hard slap in the face and chest. I knew immediately what had happened. When I committed the sin of turning around to look at the topless girls, an evil spirit hit me with a heavy impact entering my body through my nostrils. I immediately repented for that sin and went to confession the next morning. The Lord allowed me to experience the result of sin and an evil spirit entering into my body.

Can Satan read our mind?

A friend told me that Satan cannot read our minds. For several months I thought about this, trying to think of a way to put Satan to the test. When I pray in tongues, Satan harasses me pretty quick, usually with pictures or other thoughts to distract me. I made the decision to lie down really still, pretending that I was asleep with my eyes closed. I was going to pray in tongues with my mind without moving my lips or tongue. Thirty minutes went by before I was physically slapped on the leg and heard a loud, horrible scream, as if someone had been burned or severely hurt. I knew then that Satan could not read my mind. Satan knew someone was praying, but he did not know where the prayers were coming from. Finally, he figured that they had to be coming from me. When my prayer partner and I prayed for an understanding about the horrible scream, the Lord said that while I was praying in tongues, my spirit was praising God. Satan cannot stand for us to praise God. Satan knew someone was praying due to the activity of the angels. For Satan to hear, we must rebuke him with a voice. We can silently ask the Lord to put a hedge of protection around us.

How does Satan know when we commit a sin with our mind or thought?

Once I allowed my feelings to be hurt and some resentment to come in. Suddenly, I had a crick in my neck. I thought to myself, if Satan cannot read our minds, how did he know that I had committed that sin? So I asked my prayer partner to pray with me for an understanding. This is what the Lord said: There is a hedge of protection around you. Satan and his angels try to attack you at all times. When you commit a sin, your hedge of protection falls down and Satan and his angels can get through. Satan does not know we commit a sin until our hedge or wall of protection falls down.

Dealing with evil spirits

Dealing with demons and fallen angels is like driving a car down the road. Road Signs are placed along the side of the road or highway to warn the driver of oncoming curves, slopes, road conditions, etc. The Christian walk with God is the same way. The Lord wants us to be aware of the enemy as He gives us signs to foretell us of impending danger or attacks from the

enemy. However, just as we do not focus our attention on the road signs depicting dangerous curves that would incline us to take our eyes off the road and cause us to have an accident; we should not focus on unclean spirits that might hinder us from a true Christian walk with the Lord.

We need to be aware of unclean spirits so that we can deal with them to protect ourselves. However, when this is done, we need to turn our eyes to the Lord, so that we can continue our Christian walk.

Discernment

When I pray for someone with a serious illness, I have someone with the gift of discernment to pray with me to discern what is going on. I ask the Lord if there is a spirit or spirits involved and if so, does the Lord wants me to deal with them. If yes, the Roman Ritual tells us:

1. to command the spirits to identify themselves,
2. to tell us when they got in,
3. to tell us by what authority they are in.

The spirit will identify itself by its name such as fear or the name of the sin that was committed. A frightening experience will open the door for fear, and allow other spirits to get in. In praying for a person with fear, I ask the Lord to go back to that moment and time the spirit entered and to heal this person. I take authority of the spirit of fear in Jesus' name and command the spirit to repent and accept Jesus as its Lord and Savior. I quote the Scripture II Timothy 1:7 "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." Then I call forth a spirit of peace, and I ask the Lord if there are any other spirits involved.

If a spirit identifies itself by naming a sin, I ask when it entered the person. This tells me if the person committed the sin or if it came down through the ancestors. I repent for the sin to break the bondage and then deal with the spirit. 1 John 5:16: "If you see a brother or sister commit a sin which is not into death, you shall pray and it will be forgiven him."

The person with the gift of discernment will discern if the spirit has repented and accepted Jesus as its Savior. There are times when one has to do a lot of praying and fasting to get the victory. Evil spirits that repent and go into the kingdom do not return to haunt or harass a person.

A note to Father XX, an exorcist.
Dear Father XX,

Some suggestions for you on Exorcisms.

1. Jeff and I have done a number of exorcisms over the phone. It is not necessary for you and Jeff to get together to do exorcisms. It is not necessary to be in front of the person or place to do exorcisms.
2. You need to pray with Jeff for discernment on what spirits you are dealing with. If there is a sin involved with the spirit, I quote 1 John 5:16 "If you see a brother or sister commit a sin that is not into death, you shall pray and it will be forgiven." This sets the person free from bondage to sin.
3. Command the spirit to repent, accept Jesus as its Lord and Savior and go into the kingdom. Jeff can tell you what is going on. If the spirit does not respond, ask St. Michael or St. Raphael to pour Holy Water on the spirit. The spirits respond quickly when Holy Water is poured on them. This way you are dealing with a specific spirit. There is no confusion with other spirits getting involved, as Jeff knows exactly what this spirit or other spirits are doing. There have been times when I had to ask St. Michael to

deal with the spirit not only with Holy Water but with his Sword, which is the Word of God.

4. Spiritual Communion is very effective against evil spirits.
5. Ask Jeff for discernment if there are other spirits involved.
6. If a person's ancestor or ancestors are responsible for the curse and if they are in Purgatory, their sins need to be repented for and set them free from Purgatory in order to break the bondage or curse of the sin.
7. For a healing to take place, the person or his or her family must have expectant faith.

When evil spirits are cast out of a person, they often get back in. When evil spirits repent, accept Jesus as their Savior and go into the kingdom of Heaven, they will not bother you again. My prayer partners have never had to pray again for an evil spirit that repented and went into the kingdom of heaven.

Steps found to be effective in Exorcisms

Spiritual Communion

I have taken Spiritual Communion many times, as it is very effective in dealing with evil spirits. Evil Spirits that put up a lot of resistance usually repent immediately after you receive Spiritual Communion for them. You really experience the real power of Spiritual Communion when dealing with evil spirits, as it brings them to repentance immediately. I simply open my mouth and ask St. Michael the Archangel to put a host on my tongue, which I accept and believe in faith. Receiving Communion at Mass for evil spirits is also very effective as I discovered in 1999.

Spiritual Communion

Our Lord said to Sr. Benigna Consolata: "Make as many Spiritual Communions as possible, to supply for the many Sacramental Communions which are not made. One every quarter of an hour is not enough. Make them shorter, but more numerous."

Father Gabriele Amorth stated in his books that the prayer of exorcism often has to be read many times and in some cases for years before a person is set free. This is especially true if an exorcist is working alone, does not have the gift of discernment and does not know what spirit or spirits he is dealing with. The prayers of two or more praying together are more effective than the prayer of one. When spirits are just cast out, they can easily return. This means, they have to be dealt with over and over again.

Deuteronomy 32:30: How could one have chased 1,000 and two put 10,000 to flight, except their rock had sold them, and the Lord had delivered them up? (4)

When Jesus gave His disciples power over evil spirits, He sent them out two by two. Mark 6:7: And He summoned the twelve and began to send them out in pairs; and He was giving them authority over unclean spirits. (3)

Luke 10:1, 17-20: Now after this the Lord appointed seventy others and sent them two and two ahead of Him to every city and place where He Himself was going to come. . . . And the seventy returned with joy, saying, "Lord, even the demons are subject to us in your name. And He said unto them, I was watching Satan fall from heaven like lightning. Behold, I have given you authority to tread upon serpents and scorpions, and over all the power of the enemy, and nothing shall injure you. Nevertheless, do not rejoice in this, that the spirits are subject to you, but rejoice that your names are recorded in Heaven. (3)

There is definitely more power when two or more are gathered together to pray. Jesus said, "Where two or more are gathered together in My name, there I am in the midst of them." (Matthew 18:20)

Exorcists today depend on the medical professions to tell them if there is an evil spirit involved. Then they sprinkle Holy Water to see if there is a violent reaction.

Holy Water

Ask St. Michael, St. Raphael and St. Gabriel to pour Holy Water on the Spirits. Holy Water will bring them to their knees and repentance quickly. The Archangels can do a better job with Holy Water than we can. Asking St. Michael to use his Sword (the Word of God) is very effective. I have often asked St. Michael the Archangel to place these evil spirits into a pool of Holy Water. The evil spirits will quickly give up.

"Is not My Word like a mighty hammer?"

The words, "Is not My Word like a mighty hammer that crushes the rock to pieces. Send forth My Word and crush the rock of its heart (pride)", is very effective in dealing with evil spirits and bringing them to repentance.

Jeremiah 23:29: Is not My word like fire says the Lord, and like a hammer that breaks in pieces the rock? (4)

"Is not My word like fire?" declares the Lord, "and like a hammer which shatters a rock?" (3)

These were the words the Lord gave me to pray when there is someone in Purgatory, who refuses to repent.

Prayer partners with the gifts of discernment are essential in dealing with evil spirits.

When an exorcist just reads the prayer of exorcism, he really does not know what spirit or spirits he is dealing with or what is going on, unless he has the gift of discernment. Prayers are more effective when two or more are praying together with someone with the gift of discernment.

The gift of tongues is also essential in dealing with evil spirits.

Evil spirits hate the gift of tongues.

Dream in which I was among my wife's American Indian relatives. I prayed for an Indian boy that was healed. The Lord said:

The Indian boy does not represent one person, but a healing of the generations. The sins and curses of the fathers are passed down to the 3rd and 4th generations. Pray for the healing of the generation. Plead the blood of Jesus as a filter between all communications between generations. (When the fathers do not obey God, our Father, it can affect their children and their descendants for 150 years or more.)

Father Gabriele Amorth stated in his books that the prayer of exorcism often has to be read many times and in some cases for years before a person is set free. This is especially true if an exorcist is working alone and he does not know what spirit or spirits he is dealing with. (8, 10) The prayers of two or more praying together are more effective than the prayer of one. When Jesus gave His disciples power over evil spirits, He sent them out two by two.

If the person responsible for the spirit is in Purgatory, that sin needs to be repented and the person set free from Purgatory for the bondage to be broken.

Put a hedge of protection around thy child

The Lord said to put a hedge of protection around your child from the moment of conception, for a child is more subject to the power of darkness than to light. We need to pray for our ancestors to be free from Purgatory as the unrepented sins of our ancestors in Purgatory can bring a curse to their descendants down to the third and fourth generation.

Do not rejoice that evil spirits are subject to you.

Luke 10:17-20: "And the seventy returned with joy, saying, Lord, even the demons are subject to us in Your name." And He said to them, "I was watching Satan fall from heaven like lightning. Behold, I have given you authority to tread upon serpents and scorpions, and over all the power of the enemy, nothing shall injure you. Nevertheless, do not rejoice in this, that spirits are subject to you, but rejoice that your names are recorded in Heaven." (3)

Souls are often seen as birds flying to heaven

St. Benedict, raising his eyes to heaven, reported seeing the soul of his sister St. Scholastica leaving her body in the form of a dove. (11)

My prayer partners have often seen souls of those released from Purgatory or demons that are set free as white birds or doves flying to Heaven. Once after we dealt with a key spirit, we saw a flock of black birds flying. These birds, turned white, flew upward.

When a key demon repents, all his seeds will usually repent and follow their leader into the kingdom. When I was being attacked by two powerful angels, I commanded them to repent to take all their seeds into the kingdom. It turned out that one of these powerful angels was a fallen archangel. My prayer partner said after these two powerful fallen angels repented, he had a vision of the Pied Piper leading a multitude of rats out of town. A multitude of demons were set free and followed their leaders into the kingdom.

Often times a demon or demons will turn into a beautiful white human-like creature and ascend upward to Heaven.

Have you received the Holy Spirit and the gifts of the Holy Spirit since you believe?

In Acts 19:1-5 Paul asked a man if he received the Holy Spirit and the gifts of the Holy Spirit when he believed. The man said, "No!" Paul laid hands on him, and he spoke in tongues.

In an intercessory prayer meeting in our home, Jesus said, "You do not know what a gift I have given you to pray in tongues".

We need to be sensitive to the anointing, prompting and guidance of the Holy Spirit.

The Lord wants all of us to be sensitive to the anointing, prompting and guidance of the Holy Spirit, just as Jesus was led and guided by the Holy Spirit. Anyone interested in a deeper walk with the Lord should go through a "Life in the Spirit" class where a team teaches and prays with an individual for the gifts of the Holy Spirit. There are a number of parishes that have "Life in the Spirit" classes.

The Blessed Mother speaks about receiving the gifts of the Holy Spirit.

My children in the world today do not know how to receive the gifts of the Holy Spirit. Preparation is necessary to become ready and worthily to receive the gifts of the Holy Spirit. It is a very tough journey. She told the person receiving this message that it took a full year to prepare her and it was no easy feat. She said, "Do you remember how hard you found it to surrender your will to prove your humility?"

The Blessed Mother spent ten days in the Upper Room helping the Apostles to be open and ready to receive the Holy Spirit. She had to help them prepare their souls. The Apostles had to surrender their full will and understand the depth of humility necessary before they were spiritually ready to receive the Holy Spirit. They thought they had learned everything from Jesus. The Blessed Mother said this was pride. When you have pride, you cannot receive the gifts of the Holy Spirit. To receive the gifts of the Holy Spirit, you must become little before my Son, like a small child. Those who receive the gifts of the Holy Spirit are submissive to the wishes of my Son, Jesus. They are not boastful, aggressive, critical, nor mock others, or preach hatred. As the Blessed Mother was preparing the disciples to receive the Holy Spirit many arguments or discussions took place before they accepted what was expected of them. Only when they understood the depth of humility necessary, were they prepared to receive the Holy Spirit.

It takes a person a long time to be given the gift as one must surrender their will to prove their humility. Once you received the gift of the Holy Spirit you can not take it for granted. One must continue to pray, remain humble of heart and seek redemption every day as the gift can be taken away.

The Blessed Mother wants us to call on her for help in receiving the gift of the Holy Spirit.

Crusade Prayer for Gift of Discernment.

O Mother of God helps me to prepare my soul for the gift of the Holy Spirit. Take me as a child, by hand, and lead me on the road towards the gift of discernment through the power of the Holy Spirit. Open my heart and teach me to surrender in body, mind and soul. Rid me of the sin of pride and pray that I will be forgiven for all past sins so that my soul is purified and that I am made whole so that I can receive the gift of the Holy Spirit. I thank you Mother of Salvation for your intercession and I await with love in my heart for this gift for which I yearn with joy. Amen. (12)

The Lord said, "Priests, clergy and those who have not experienced nor received the gifts of the Spirit need to swallow their pride, go through a Life in the Spirit class and be prayed with to receive the gifts of the Spirit."

I sought the Holy Spirit and the gifts of the Holy Spirit with prayer and fasting for five months before having a dramatic encounter and vision of the Lord Jesus Christ face to face.

Evils spirits

Evil spirits can attack us through our personal sins or through the unrepented sins of our ancestors. If our parents, grandparents and great grandparents have passed on, we need to pray for them to be sure they are not in Purgatory as the curse of unrepented sins can affect our descendants to the third and fourth generations. We need to pray for the ancestors of our children's spouses to prevent a curse from being passed on to our descendants.

Should We Be Concerned About Purgatory and Exorcism?

Michael D. Miesch Jr.

Scripture says the sins of the fathers or parents can bring a curse on you and your descendants to the third and fourth generations. Each person has two parents, four grandparents and eight great-grandparents, i.e. 14 ancestors. If any of these ancestors are in Purgatory with unrepented sins, they can bring a curse, birth defect, sickness or deformity on

you and on any of your descendants. You and your spouse together have 28 ancestors whose unrepented sins can directly affect you and your descendants.

One of my grandfathers was born in 1858. I am 85 years old. I have two grandsons that are five and eight years old. As of 2019, that is a span 161 years. An unrepented sin of my grandfather could easily affect either one of my two grandsons any time throughout their lives which could easily cover another 80 or more years.

What about the spouses of our children? That is another 28 ancestors whose unrepented sins can affect our descendants and so on. A priest friend said that he does not know if all of his ancestors are in heaven as there was a divorce with one of his great-grandparents. The Lord has given me and my prayer partners the gift of praying for people in Purgatory. We prayed for all of the priest's ancestors. Half of his ancestors were in Purgatory. My prayer partner and I were able to get the priest's ancestors set free by repenting for their sins and receiving Communion for them.

When sin is committed, it opens the door for evil spirits to get in. There are times we have to deal with evil spirits, or they can continue to harass us. When an evil spirit enters a person, he does not leave the person when the person passes away. The evil spirit stays with him in Purgatory to torment him. I have had to take authority over evil spirits in Purgatory at times to get people set free. One person I prayed for was being smothered by evil spirits. I had to ask St. Michael the Archangel to pour Holy Water on the evil spirits so the person could respond to me. When St. Michael poured Holy Water on the person, the evil spirits left. The person repented and went into the kingdom.

I have prayed for the deceased ancestors of the spouses of my three sons. Many of them were in Purgatory. For some of the ancestors, I had to do considerable praying to get them set free. We need to pray for all of our ancestors for the protection of all our descendants.

Repenting for Our Sins Mike Miesch

After experiencing the baptism of the Holy Spirit in 1970, the Lord kept telling me to repent. I confessed every sin I could think of. He kept telling me to repent. Jesus said, "Anything you ask of the Father in my name, I will do." I said, "OK, Lord, you need to tell me what you want me to repent for." I do not have a habit of cutting the Bible, but I cut the Bible to Daniel where Daniel got on his knees facing Jerusalem and repented for his sins, and for the sins of his people three times a day. I knew then Lord was asking me to repent for the sins of our nation. I have a prayer that I pray every morning.

Heavenly Father, I repent for my sins, the sins of my family, the sins of the people I pray for, the sins of the community, the sins of the diocese, the sins of the Catholic Church, the sins of this nation and the nations throughout the world. I repent for the abortions, murder, lying, stealing, frauds, cheating, resentment, the sins of Sodom and Gomorrah, the pride, greed, bitterness, hatred, unbelief, unforgiveness, injustice and everything that is going on that is not of you. Send forth a spirit of repentance throughout this land and the nations of the world. Touch the hearts of the people and draw them to your Son, Jesus Christ of Nazareth. Touch the leaders of this nation and the nations throughout the world. Raise up the righteous and cast down the wicked. Be with our President and Vice President in a deep and powerful way; direct them in the path you want us to go. I bind Satan, all principalities, powers and rulers of darkness. I bind the spirit of lust, pornography, homosexuality, abortion and murder. I hand the people involved in these things over to you for correction so that their spirit may be saved in the

day of the Lord, that our nation may be restored as one nation under God. Send forth laborers into the field to gather the harvest. Send forth a spiritual revival among the priests, religious and clergy that they will preach the truth and righteousness to the people. Take away those things within us that are not of You. Fill us with Your love, wisdom, knowledge, understanding and discernment. Direct us to the center of your most perfect will. We ask this in the name of Your Son Jesus Christ of Nazareth. We thank you for answering our prayer.

After finishing my morning prayers, the Lord kept telling me to repent. I said the Act of Contrition over and over. He kept telling me to repent. Only after repeating the long prayer two times did the Lord stop telling me to repent. I now know the Lord wants me to repeat the long prayer several times a day.

The Lord once spoke to me, asking me to repent for the sins of my family and friends so their sins could be forgiven. He said He was excited that I know to do this. 1 John 5:16 says if you see a brother commit a sin, which is not unto death, you shall pray and it will be forgiven them. The Lord wants us to repent for the sins of our brothers and sisters.

The Scripture in James says, "If there are any sick among you, call for the elders of the church. Let them anoint you with oil and pray the prayer of faith. If they have committed any sin, it shall be forgiven, and the Lord will raise them up.

Even though our sins are forgiven, we still have to make reparation for our sins. Reparation comes through prayer, fasting and suffering.

Suffering

The Lord spoke to St. Gemma Galgani and said: My child, I have need of victims, and strong victims! In order to appease My divine Father, I need souls who, by their sufferings, tribulations, and difficulties, make amends for sinners and their ingratitude. Oh, that I could make all understand how incensed My heavenly Father is by the impious world! There is nothing to stay His hand, and He is now preparing a great chastisement for all the world.

St. Gemma responded with heroic generosity. I am the victim," and Jesus the sacrificing priest. Act quickly, O Jesus! All that Jesus wills, I desire. Everything that Jesus sends me is a gift.

Satan cannot do anything unless the Lord allows it. The Lord has allowed Satan to touch, harass and torture many saints. St. Gemma was physically beaten till she was unconscious. Sheds of her hair were all over the room. St. Gemma was physically harassed, beaten and suffered severely in this life with no expectation of relief. Some of the other saints that were harass and suffered for the Lord are St. Pio of Pietrelcina and St. John Vianney. I do not have reference, but I have read that Satan twisted the steel frame of St. Pio's bed. (13)
